ABOUT THE TRUST

The Accord Multi Academy Trust is an educational charity established in September 2016. The founding members of the Trust were Horbury Academy and Ossett Academy & Accord Sixth Form College, joined in December 2016 by Horbury Primary Academy and Middlestown Primary Academy. Our fifth member, South Ossett Infants Academy, joined us in 2024.

Accord Multi Academy Trust is currently working through the legal transfer process to merge with Maltby Learning Trust and create a brand-new entity, Place Partnership Trust, which is anticipated to formally launch in September 2026.

Place Partnership represents the unification of two established and respected education providers with shared values, strong regional reputations, and a commitment to improving life chances for children and young people across South and West Yorkshire. With complementary strengths, a track record of school improvement, and aligned visions, the new Trust is positioned to create a more resilient, future-focused partnership that enhances educational outcomes, professional development and community engagement.

The overarching vision for the Trust is to work in one

'Accord – celebrating the differences of each academy through strong collaboration in order to inspire all members of our learning community to be the best that they can be.'

Our academies work on the following key principles:

Ambitious for our young people and staff;

Creating a positive climate and an ethos for learning and success;

Collaborative to secure the best possible learning experiences for young people and staff;

Opening doors for parents, carers and the community and being fully inclusive;

Resilient in order to develop in young people and staff a mindset for success;

Dynamic and reflective learning communities.

Our vision and key principles are underpinned by the highest expectations of what every child can achieve regardless of their context or starting point.

Having consolidated our position as a multi academy trust, we are now at a point where we are looking to build on our existing central structures to sustain our improvement to date, but also to ensure that we have the strong educational capacity necessary to welcome more academies to join the Trust. This particular post is therefore a very important feature of our planned growth and development and aspiration to provide a world class education for all young people within our community.

WHY WORK FOR THE TRUST?

Accord Multi Academy Trust is based in Wakefield; all five academies in the Trust are closely located to one another which lends itself to many opportunities to work closely and collaboratively. All academies are within a three-mile radius of one another and can be found a short drive off junction 40 of the M1.

At Accord we are committed to providing world class education for all young people within our community and as such we recognise the pivotal role that our staff play in this respect.

The Trust places at the heart of its development a commitment to high quality professional development for all staff who join the Trust. We understand that by investing in our staff we will create an organisation with a shared vision and values that will transform education for young people.

The Trust is strongly committed to fostering a positive and healthy working environment with wellbeing and workload management at the forefront of all decision making.

Across the Trust there are a number of opportunities for staff to come together outside of their normal working day in a social or other activity capacity. The Trust and individual academies organise regular staff social events, craft workshops, and sporting groups, which currently include a running club and weekly staff football matches.

“

“I have the benefit of working between the Trust and our academies, so I get to see the whole vibrant spectrum of school life across Accord. Although I am in a non-teaching role, working in education is a truly rewarding and unique experience. Knowing that the work I do is part of a wider commitment to ensuring young people thrive and succeed is extremely fulfilling. I have been given opportunities to lead, and I have always been made to feel that my voice matters.”

“

“I originally commenced in the Trust Central Team and was later promoted to Assistant Accountant and given the opportunity to complete my Level 7 Accountancy qualification through an apprenticeship. I wouldn't be finding my apprenticeship nearly as enjoyable or successful without the support I receive from my line manager and colleagues. I thrive on opportunities to further my understanding in what I have learnt. Executing my learning through my daily work gives me a sense of satisfaction. I am given dedicated study time and advice on how to further my professional image within the organisation and gaining that final qualification at the end of this journey.”
