Dream – Achieve – Inspire

# Welcome

Thank you for expressing an interest in Chestnut Park Primary School, the first of GLF Schools within Croydon.

We are a brand new three form entry primary school which will open its doors to reception children for the first time in September 2015. Each year the school will increase its age range, adding an additional year group until it is an all through primary school in 2021.

Our school will boast state of the art technology in a modern, purpose built school. With a new team of staff, we are excited by the opportunity to provide a relevant, irresistible curriculum which promotes a love of learning and secures the highest standard for every child.

At Chestnut Park Primary School, we believe in working with the local community to ensure school is a place 'where children grow, learn and flourish together'. This ethos is embedded within our vision, values and aims.

We look forward to welcoming you to our school
