## Class Teacher

## Welcome from the Chair of the Board of Trustee's

We are delighted that you are interested in applying for a position at the Northampton Primary Academy Trust (NPAT).

The Northampton Primary Academy Trust Partnership (NPAT) was founded in August 2012 and was built on the vision of five Headteachers to bring together like-minded schools to provide quality first teaching and learning to all children across member schools, delivered and supported by passionate personnel of the highest professional calibre. Our member schools come in many shapes and sizes, from small to large, split site primaries, and cover a diverse geographical range and socio-economic mix.

Our vision is to achieve 'educational excellence; creating opportunities and enriching lives'. To achieve this, our mission is to develop a Multi-Academy Trust of highly effective and sustainable schools. NPAT schools all share a common vision and are committed to the NPAT values, whilst retaining the freedom to innovate and develop their own identity and character.

The Trust is built on the principle of synergy; that a collaboration of vibrant and successful schools can achieve collectively what a single school couldn't achieve alone. NPAT improves our schools using teamwork and innovation through partnership working that brings together children, parents, teachers, governors and school leaders.

From the original five schools we have seen progressive growth, with eleven schools currently on board. Whilst we grow in size, the Directors and Executive Team are keen to ensure that we retain the values and ethos upon which our Trust was originally built.

Joining our Trust will mean that you will benefit from excellent opportunities to learn and further your career, through strong collaboration and good career progression opportunities across our school network, and you will have great fun along the way.

We are on an amazing journey and we would be delighted to welcome you on board to be an integral part of it.

Thank you

**James Marscheider,**

## **Vision Mission, and Values Statement**

With responsibility for 4700 children NPAT is driven by our aspirational vision:  
**To achieve educational excellence, create opportunities and enrich lives.**

To achieve this, our mission is **to develop a multi-academy trust of highly effective and sustainable schools.**

We know that there is greater potential for realising our vision through working together as a family of schools providing support, collaboration, and challenge. We are ‘one school with many doors’ Our collective strength is epitomised through a shared focus on ensuring great teaching and curriculum, focussing on the most efficient use of resources to provide maximum value for money. We hold safeguarding in the highest regard and ensure that all our schools have robust policies and procedures in place to secure exemplary practices. Although our schools retain their own individual, unique character our strength is build on synergy – the belief that we can achieve more collectively than alone.

We have clear value and beliefs that guide us in how we act and in decisions that we make. We are driven by the determination to ensure that our schools sit at the heart their local communities and are drivers for educational excellence for all. Our moral purpose is rooted in high aspiration and ambition for all children, including those who face the greatest disadvantage in our most deprived communities and children with Special Educational Needs and Disability. We are responsible for developing future citizens who have a voice that is heard, and who understand their place and responsibility in society.

We ensure that we use evidence-based research to inform our educational priorities. We recognise the importance of both high academic achievement and the development of the whole child through a wide range of opportunities with external partners, including the Royal Shakespeare Company and National Gallery.

We expect all our school leaders to adhere to The Nolan Principles of Public Life which form the basis of the ethical standards expected of public office holders.

## **Our Trust Priorities**

The aim of our Education Strategy is to further improve educational provision and raise the academic attainment of all children across the trust. We aim to achieve this through engaging with evidence and:

- Improving the quality of teacher and support staff professional development to ensure high quality provision for all children
- Ensuring schools have a consistent and effective approach to teaching
- Securing high-quality leadership at all levels across schools
- Ensuring schools have a broad, rich, and rigorous curriculum offer across core and wider curriculum subjects
- Developing and implementing an effective, evidence-based inclusion strategy to ensure the best provision and outcomes for all disadvantaged and vulnerable children

Our Education Team supports our schools to drive improvement towards these priorities. School leaders are responsible for ensuring that the Trust education priorities are delivered within their individual schools.

Can you meet the challenge? Welcome to the future of primary education.

Should you choose to join us you will enter a hugely exciting time. As our MAT Grows and develops, we are looking for enthusiastic and inspirational leaders who can join our journey and help us build on our strengths. With plenty of opportunities for support and continued professional development across the Trust, we have a lot to offer.

We look forward to receiving your application.
