David Ross Education Trust
Broadening Horizons

Welcome

Thank you for your interest in joining The David Ross Education Trust.

Whatever your role, you will be making a very important contribution to the lives of our pupils. Our mission is to broaden the horizons of our pupils through the provision of a world-class education.

We are deeply committed to the progress and success of all our students and young people.

We believe in serving local communities through the creation of an excellent school which provide outstanding education.

We have a commitment to continued improvement coupled with great potential for growth and development. We aim to enable all schools to achieve more through being part of the Trust than they could on their own.

This is a role which I expect to be challenging but also extremely rewarding for an outstanding individual with the potential to make a significant impact for the future of young people and their communities.

Stuart Burns
Chief Executive Officer

We are DRET

The Trust runs 35 schools between London and Yorkshire, ranging from small rural primaries to much larger secondary schools in urban areas. We have an all through school in London based on the Olympic Park as well as a special school in Lincolnshire which caters for pupils aged 2-19 who have a diverse range of special educational needs.

23

primaries

10

secondaries

Recognised as one of 11 system leaders nationwide, the Trust has 23 primaries, 10 secondaries, 1 all-through school and 1 special school.

1

all through school

Working together, with a shared ethos and values, our close-knit family of schools allows pupils to begin and continue their world class academic journey with us.

1

special school

We are seeking to grow our Trust in a sensible and strategic manner as part of the government's vision for every school to be part of a family of schools in a strong multi-academy Trust.

Our Mission

Our mission is to broaden the horizons of our pupils through the provision of a world-class education.

Our Vision

Our mission is underpinned by a vision for a world-class education that is ambitious, broad and knowledge-rich, and that equips our pupils to live full and successful lives.

Our Values

We are unashamedly **ambitious** for the quality of care and all-round education of the children and young people we serve. We want to provide access to outstanding opportunities within the classroom and beyond.

We are highly **aspirational** and expect all of our students and staff to aim high for themselves and to support each other in those aspirations. We will provide staff with the skills and knowledge to teach well and create a culture where high performance is expected.

We are **courageous** in our approach, supporting and standing up for each other, thinking big and not being afraid to try new ideas and strategies in the pursuit of excellence.

We are **respectful** of each other regardless of age, identity and background, creating an environment of calm, scholarly endeavour in our classrooms and respecting the professional integrity of all staff across academic and business functions.

World-class Opportunities

As well as delivering an excellent education, we are proud to offer broad sports and music enrichment programmes to support our pupils who are in some of the most deprived areas of the country. Our enrichment programme is exciting and varied, designed to encourage every young person to explore new things, develop their passions and discover their talents.

We aim to broaden our students horizons with an offer that is normally only available to pupils in fee-paying or public schools, including talent support programmes, flagship competitions and events, specialist tutoring or coaching, and much more.
