

Sandon Primary Academy has its own purpose built teaching & learning pool where pupils take part in free weekly swimming lessons by a specialist swim provider; ensuring that every child learns a life-long, life-saving skill.

Our bespoke learning environment, provides unique learning experiences outside of the classroom.

Exciting, engaging displays proudly showcase the children's achievements throughout the school.

From geckos to snakes and chickens to hedgehogs, Sandon is home to a number of animals that are lovingly looked after by pupils; promoting a sense of respect and responsibility.
