Are you passionate about education and highly motivated to inspire, challenge and support others thus enabling everyone to **ACHIEVE** their potential?

Do you **BELIEVE** in a connected, purposeful, personalised curriculum and the value of celebrating our Christian Ethos?

Can you **CREATE** an environment full of multisensory experiences that immerse children in their learning?

An exciting opportunity has arisen at St. Peter's C.E. Primary School for an aspirational leader to join our supportive and committed team in the role of SENCO. We are seeking to appoint an experienced practitioner to be part of the leadership team, supporting colleagues in the strategic delivery of the SEND Code of Practice embedding good practice and consistency across the school.

You will be able to offer us:

- high expectations of learning and behaviour which motivate and inspire both children and adults with a sense of fun, creativity and an appetite for learning
- excellent organisation, communication and interpersonal skills which naturally engages pupils, parents, staff and external agencies in order to attempt to remove barriers to learning;
- an ability to use own initiative and professional judgement supporting all staff in understanding the needs of SEND pupils;
- a commitment to professional development and willingness to undertake training for the NASENCO award (or new NPQ equivalent) if this has not already been achieved;
- a willingness to contribute to the delivery of an appropriate programme of CPD for staff in line with the School Improvement Plan and staff appraisal process;
- monitoring experience which can be utilised to evaluate the quality of inclusion; and
- a commitment to the wider life of the school and extracurricular activities.

St. Peter's is committed to safeguarding and promoting the welfare of children and young people, and expects all staff to share this commitment. We are an equal opportunities employer.
