WE ARE SEEKING A CLASS TEACHER TO JOIN OUR DYNAMIC TEAM

Sonning CE Primary School has a fantastic reputation that is fully deserved. It is a result of high academic achievement, our caring, nurturing environment and our Christian ethos. At Sonning, we aim to equip our children with the skills they need to make positive choices in everything they do. Like the wise man who built his house upon the rock (Matthew 7:24-25), our vision is "building strong foundations for the years ahead".

As part of this, we build excellent relationships with each other; we are a team that looks out for each other and all share a desire to provide the very best education for pupils (academically, emotionally and socially) and ensure they build strong foundations for their time at school and beyond.

Our recent Ofsted report (January 2024) has been published and described our school as "exceptional" – this is an opportunity to work in an incredibly supportive, dedicated and passionate team.
