Stamshaw Infant School is a happy, friendly school where children learn with confidence in an environment where respect, happiness and creativity underpin everything we do.

As a Class Teacher, you will provide excellent Teaching and Learning, enabling pupils to develop in a safe supporting and encouraging environment.

We believe that children need to enjoy their learning to be successful and we wish to motivate all our pupils to learn new skills and follow their dreams and aspirations.

Stamshaw Infant School is part of the University of Chichester Academy Trust, which will bring you added benefits and opportunities. As part of our commitment to staff wellbeing and delivering high-quality education, we have introduced a two-week October half-term across all our schools. This initiative is already making a positive impact—giving staff and pupils a valuable break during the long autumn term, reducing absence through illness, and supporting overall well-being. It also brings greater consistency across our Trust, creating a more connected and efficient way of working. It's just one example of how we prioritise our people and create a working environment where everyone can thrive. You will find that each of our Academies has a unique identity, but a shared belief in creating a positive and enriching environment, where all staff feel valued.

Informal enquiries are welcomed and we invite you to visit Stamshaw Infant School to learn more about our vision and values or to find out more about the job opportunity. Please contact the school office on 023 9266 1192.
