Anglian Learning has been founded on strong collaborative and trusting relationships, where everybody is committed to sharing their successes, but equally open to new ideas and alternative perspectives. We also firmly believe that our most important resource is our people, and if you apply and are successful in your application, we promise to develop and support you in your career, as well as providing a caring, friendly environment in which to work.

We are strategic partners in the local teaching school hub, working closely to provide with other trusts professional qualifications in addition to our own very extensive professional learning programmes.

We provide school improvement support to our schools, alongside finance, human resources, ICT, and estates support. Many of our leaders, teachers, and professional services staff are involved in networks across the Trust to share best practice and build skills and knowledge, with some taking on cross-trust leadership positions.

## Stapleford Community Primary School

Stapleford Community Primary School has entered a new phase in its growth and development with an ambitious vision for its future. We are seeking someone to become an integral part of the team to work with us in leading and contributing to the success of the school.

In our school, children have excellent opportunities within a supportive partnership. At the heart of the village, our school community is vibrant and friendly, and we are continually developing and embracing an exciting future. We became an Academy in 2018 when we joined Anglian Learning Multi-Academy Trust. A commitment to provide outstanding education and learning underpins the Trust's ambition and teamwork to achieve this embodies the ethos of our school.

To have a positive influence over a child's education from Nursery to Year 6 is a real privilege and every team member is valued for their role within this. We encourage our pupils to develop as happy, confident, and resilient learners who take growing responsibility for their learning and behaviour.

Our goal is to create a strong ethos for learning. We are ambitious for our pupils and encourage them to be ambitious for themselves. We are a community in which all can succeed. Our school is an inspiring and exciting place to learn where passionate teachers and support staff develop children's curiosity and independence as learners.

In 2020 we opened our Stapleford Nursery, a stimulating, bright, new learning environment for 3 - 4-year-olds. We are a very well-resourced school, with features that set us apart from other schools, such as a swimming pool and large grounds including a 'moat'. This enriched learning environment inspires our pupils to learn and grow. Our recent Ofsted Inspection (2022) highlighted that.

*"Pupils say that school is a happy and safe place to be. Pupils enjoy talking about what they have learned. They are proud of their work, and they are proud of what they know."*

Our aim is to achieve excellence in all we do through strong teamwork and collaboration. We would love to meet you to see if you are the right candidate to join us on this journey.
