About Ravenstone

Ravenstone is a primary school in Balham, that forms part of the Wandle Learning Trust. The school has served the local community for the last 100 years. We are conveniently placed for public transport links - Balham main line train and tube station is 3 minutes away with easy access to all of London, Kent, Surrey and Sussex. We also have parking available onsite. The open space of Tooting Bec Common and the vibrant Balham centre are a few minutes from the school.

School organisation

There are approximately 400 children on roll including full-time and part-time nursery children. These are arranged in 14 classes and the nursery. We are a two form entry school. We are also very proud to have an autism resource base as part of our school where we nurture and cater for 18 children with autism. This is called our HIVE.

Autistic hub (The Hive)

The Hive is a unit for children on the autism spectrum at Ravenstone Primary School. We opened in November 2017. We educate and nurture 18 children from reception to Year 6. Children in The Hive have opportunities throughout the day to access mainstream education, with support from the specialised ASD trained staff.

School focus

We are committed to the continuous improvement of every aspect of school life for children at Ravenstone. We seek to deliver an outstanding educational experience of the highest quality for children of diverse backgrounds and abilities. Enthusiasm, enjoyment, creativity, imagination and high expectations of both pupils and staff are at the centre of a wide variety of learning activities.

Our school vision is 'Children reaching their potential in the heart of the community' and our core values are Happy, Kind, Creative, Honest, Determined and Respect. You will see the school values characters around the school and in all classes and they are spoken about each day, in class, in the playground and in assemblies. We promote our values in everything we do and we strive to allow our children to be confident individuals who understand themselves and will grow into well rounded adults who add to the world we live in.

As a school we focus on developing the adult as much as the child. We believe if every member of staff is the best they can possibly be while constantly looking at ways to improve then this will provide our children with an outstanding environment to learn within. We are extremely fortunate to be a part of the Wandle Learning Trust and all that it has to offer including the Teaching school and English and Maths Hubs and lots of professional development opportunities working alongside our colleagues in Chestnut Grove, Chesterton Primary and Paxton Academy.

Our ultimate aim is to become outstanding and continue to become a centre of excellence within the local community and beyond.

Hannah Happy

Community

We are proud to serve and be supported by our community. We offer a vibrant and rewarding environment with a committed team of hardworking staff, supportive governors and enthusiastic parents. The children are happy and keen to learn. We pride ourselves on the friendliness, confidence and character of our children.

The partnership between school and home is very important to us. We value parental involvement and have a thriving parents' and carers' association, Friends of Ravenstone, which organises social events and raises funds for the school which are used to enhance the children's educational experience. Recently funds have been used to develop our music provision, a state of the art sensory room for Early Years, the redevelopment of parts of the playground, the purchase of IT equipment and contributions to school trips and school journey.

We welcome volunteers from both the parent body and the local community to help in the school with reading, gardening, chess and newspaper clubs.

Curriculum enrichment/Ravenstone Entitlement

The Ravenstone entitlement is an offer to every child in the school. This offer includes at least one external trip, one inspirational internal visit and a curriculum themed day every term. We believe that every child deserved to learn in an engaging and purposeful learning environment that inspires them to become curious and ambitious.

Ravenstone celebrates each child's participation and achievement in a wide range of activities including languages, food, art, sport, music and dance. We want all pupils to experience London's rich diversity and we organise school trips as well as visits to the school by outside speakers.

Sport is one of the cornerstones of the school's identity. We are fortunate to have a full time dedicated sports teacher and part time dance teacher and Ravenstone regularly excels in inter-school competitions. We have represented Wandsworth in athletics and swimming at the London Youth Games. Though competition is encouraged, children understand that sport is primarily undertaken for enjoyment and can be accessed by all, regardless of ability or experience.

About the Trust

As part of Wandle Learning Trust Ravenstone Primary School enjoys the support of our teacher and curriculum development arm, the Wandle Learning Partnership. Our Partnership consists of Department for Education designated Teaching School, English and Maths Hubs.

The Partnership is also home to Little Wandle Letters and Sounds Revised a DfE-validated SSP developed by our Trust schools in partnership with Little Sutton Primary School. As well as supporting schools both regionally and nationally our Partnership offers unique opportunities to all Trust staff to develop their subject and leadership skills. Each of the Heads within our schools has the opportunity to shape and deliver high profile school improvement work that benefits their own school as well as hundreds of others.

London South West Maths Hub is also part of Wandle Learning Trust, working in partnership with Wandsworth Local Authority. The Hub – run out of Chesterton Primary School – is one of 34 Maths Hubs awarded across the country by the Department for Education. This means that Ravenstone Primary School staff and pupils benefit from the support of consistently outstanding maths provision.

The London South West Maths Hub aims to support schools in five boroughs (Wandsworth, Merton, Sutton, Kingston, Richmond) through a range of national and local projects each year. The core purpose of the Hub is to engineer a school-based support network to develop Mastery style teaching at all levels of education.
