Tel: 01296 738132

About our school

Steeple Claydon School and Nursery is a friendly and welcoming school of approximately 170 pupils with a nursery. We are situated within a supportive village community which was judged to be 'good' at its most recent Ofsted inspection. Our overriding principle is that we have high expectations and aspirations for all our children. Every day matters at school, therefore our mission is to provide a nurturing, fulfilling and rich curriculum and learning environment that takes our children on a journey, from the age of two years to eleven, to become independent, curious and active learners.

Our children have a wonderful attitude to learning; they achieve and progress well through a strong community atmosphere, effective leadership and excellent teaching. Our engaging and theme-based curriculum motivates and inspires children to do their best. Our school values of confidence, positivity, respect, trust, compassion, generosity and determination encapsulate everything we believe is important in learning and the experience of schooling for our children. We are a positive and supportive staff team who are part of a school which prides itself on strong links with its parents and the local community.

Please take a look at our website, www.steepleclaydonschool.com for more information.

About the role

We are looking for an enthusiastic, inspirational class teacher to join our school community on a part time basis (0.6, 3 days a week) from September 2021. The position will be for one term in the first instance, with a possibility for extension from January 2022.

We can offer you:

- A welcoming, supportive team of colleagues
- Enthusiastic, well behaved and polite pupils who are eager to learn
- A family orientated, values-based ethos
- An attractive school environment in a friendly village community
- A strong commitment to developing all staff and pupils as lifelong learners

Please refer to the job description for further details.

About you

The ideal candidate will:

- Demonstrate good or outstanding classroom practice
- Provide a creative, supportive and inspiring learning environment and have high expectations of all pupils
- Possess excellent inter-personal skills and be able to work well as part of a small team
- Demonstrate a willingness to contribute to the wider life of our school
- Strive for continuous improvement
