About our School

We are a multi-sited special school for children and young people, all of whom have an Education Health Care Plan. We have 4 sites across north Derbyshire and Nottinghamshire, including a community nursery.

Our school is a place where children and young people are at the centre of everything we do. We care deeply for our children and work to meet their needs to the very best of our ability. We have high aspirations for all our children and young people, and we value each one of them as unique members of our school community. Working in partnership with parents, carers and the local community, we work hard to provide our children and young people with the best possible life chances and experiences.

About the Trust

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young people. Nexus Multi Academy Trust was founded in 2016, with 23 unique SEND and mainstream academies.

We are a growing, forward thinking and innovative Trust with a shared ethos, vision and values for a personalised child centred approach. We are committed and invested in "Learning together, to be the best we can be" and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.

Please see a copy of our most recent prospectus and workforce engagement statement for further information.

Our Opportunity

We are seeking to appoint a highly motivated, enthusiastic, hardworking and flexible Teacher to join a team of dedicated staff who are committed to providing excellent learning opportunities and become part of a successful team in a busy working environment.

We want an individual who has a passion for working with young children with complex and multiple learning difficulties; for individuals who believe in personalising learning to meet needs and place children at the centre of their work. If you feel you have these skills, we very much welcome your application.

We welcome applications from experienced Teachers who have worked within a mainstream or specialist setting. Interested persons must have a real drive to make a difference in children's lives, you must be able to provide our children with aspirations for their futures along with promoting a positive culture in everything you do.

Knowledge of SEN will be advantageous and you must be able to respond to the emotional, social and mental health needs of our children and young people. You will be required to ensure the safety of our children and young people and facilitate their access to learning by planning and teaching engaging lessons to meet individual needs.
