Fairlop's overall aim is for all of our pupils to achieve the highest possible standards and fulfil their potential emotionally, academically and physically. We recognise that our pupils need to learn the skills to enable them to articulate themselves. Talk is at the core of our curriculum. This allows the children to be able to apply their knowledge and skills across a high variety of rich learning experiences, which engage, inspire and challenge them. Fairlop is a Rights Respecting School.

"Pupils are proud to be part of the inclusive Fairlop community. They talk passionately about what makes the school special. This includes the strong focus on showing kindness and respect to all." – Ofsted, November 2024
