## Living in Bristol

The Kingfisher School is located in Bristol city, very close to the open fields of Bath and North Somerset and easy travelling distance from country villages and further afield. Academy staff have an enviable choice of places to live within a city and region that is viewed as one of the areas with the highest quality of living in the UK. The local economy remains buoyant, benefiting from a strong knowledge economy and particular strengths in the creative, financial and legal businesses. Within 90 minutes you can be in London or on the coast.

Bristol itself is a beautiful, vibrant and fashionable city. Its harbour, which weaves its way through the heart of the city is lined with restaurants, clubs and bars, museums, arts, science and media centres. The narrow winding streets, radiating from the water's edge, reveal elegant parks and squares and stunning architecture. Recently the city celebrated Brunel 200, the 200th anniversary of the birth of Isambard Kingdom Brunel, one of the most inspirational engineers of the 19th century and the person responsible for some of the great icons of Bristol's industrial heritage. Bristol is the 8th largest city in the United Kingdom with a population of over 400,000. Built on the confluence of the Rivers Avon and Frome, it has been in existence from well before the time of the Romans.

Bristol grew to be one of the most important cities in England during the Middle Ages as a result of its port and in 1497 the brothers Sebastian and John Cabot, sponsored by the Merchant Venturers, sailed from the docks to mainland America, landing in Newfoundland. A working replica of their ship, The Matthew, can be seen in the harbour today.

Bristol is the largest city in the South West and the region's leading centre for business, culture and education. It has been the subject of a massive programme of investment and regeneration that has had a major impact on its retail, leisure and business facilities. The city has a long tradition of trade and engineering, and is also home to many of the newer financial services and creative and media industries. It is also close to some of the most beautiful countryside and coastal areas.
