

Class teacher advert

Outstanding Class Teacher to start 1st September 2023 –
Permanent Full-Time contract.

MS1-US3 (£28,000-£43,685) + 1 SEN Point.(£2,384)

Hednesford Valley High School has an amazing opportunity for those teachers who have a passion and a duty for supporting students with SEND. If you are a teacher who wishes to be part of a GOOD school, where students and staff are valued and supported, then we have an exciting opportunity for you. Due to our expanding growth, we have three teaching posts available for September 2023.

Hednesford Valley High School is a generic Special School set in Cannock Chase, an Area of Outstanding National Beauty. We educate students on two sites, with years 7-11 at our main site and our Sixth Form is set in a dedicated building at Cannock Chase High School. We have amazing students with a range of learning needs, who are supported by dedicated staff with a passion for transforming the lives of our students. If you join our team, you will be part of a school where students love to learn, and staff love to teach. We truly are a family. This is not just a statement; our data supports this. Our attendance and positive behaviour are above national data and we have just received amazing feedback from our recent parent/carers questionnaire.

These posts offer a great opportunity to develop as a professional and may be suitable for both ECT's and experienced practitioners. Full-time positions are preferred, although part-time positions may be considered. Further details are available from Hednesford Valley High School and visits to our school are welcomed. Please contact Mrs Louise Fox, School Business Manager on 01543 423714.

We are committed to Safeguarding and promoting the welfare of children and young people. The post is subject to an enhanced DBS check.

- ❖ Closing date – Monday 17th April 2023
- ❖ Interviews – Monday 24th April 2023
