Dear Colleague

Thank you for taking the time to look at our fantastic employment opportunity.

Wheelock Primary School is a happy school where children are placed at the center of everything we do. Our staff strive to encourage all our children to achieve their full potential, academically, socially, emotionally and to develop the necessary skills and confidence to be successful in their lives.

Our school ethos is delivered through the school's three core values: Believe, Belong, Be Kind

Our school community achieve this by committing to our three behaviours: Aspire, Respect, Responsibility.

We Aspire to be the best that we can be; we Respect ourselves, each other and the environment; and we take Responsibility for ourselves and our actions.

We have a committed and dedicated team who work hard to ensure every pupil achieves and succeeds at their own pace. We plan inspiring, challenging, and thought-provoking lessons that engage the children in their learning and help them to develop as individuals. This is further enriched by exciting wider opportunities including Forest School sessions, educational visits, residential trips, and family celebration events.

Being part of The Learning Partnership trust provides all staff with a unique opportunity to work alongside colleagues from other schools, both primary and secondary, and to gain support when necessary.

Being part of the trust also gives staff members exclusive access to an incredible Employee Benefits site and Health & Wellbeing site.

If you would like more information about this post, please contact me on 01270 845911 or email me at officemanager@wheelock.cheshire.sch.uk.

Yours faithfully

Sally Whitehead
