Class Teacher- with responsibility for teaching PE

3 days a week

We are looking to recruit a good teacher of PE who will:

- teach PE to all our classes on 2 days of the week and
- on the 3rd day will work with the PE Leader to effectively implement the PE Grant by up-skilling our class teachers' PE provision and widening opportunities for all the children.

Millfield already has a strong and long-standing relationship with the Witchford Sports Partnership and we want to continue to strengthen provision within the School.

Millfield was inspected in March 2018 and was judged to be a Good school with an Outstanding EYFS.

'classrooms are harmonious learning environments'

'staff who are new to teaching are well supported. They receive good quality mentoring and guidance that enables them to improve quickly'

Millfield is a school with an aspirational and supportive culture where everybody strives for the children to achieve their best. We chose to join The Elliot Foundation Academies Trust – a trust that recognises and celebrates the fact that schools will all 'do things differently' depending on their context and so therefore there is no 'corporate mould'.

Littleport is a small town close to Ely in East Anglia. It is on the direct rail line from London to Cambridge, Ely and Kings Lynn (just over an hour from Kings Cross) and so is easily accessible.

If this interests you, please contact Mrs Amanda Bidecant (Office Manager) for an application pack.

Visits to the school are warmly welcomed.

Millfield Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
