St Nicholas Church of England Primary School is an inclusive and nurturing Christian school, in the heart of a close, village community. Families of all faiths and none are warmly welcomed, valued and respected. We are a large school with 18 classes, yet have a warm and welcoming ethos. Just a short walk away from the River Thames and with a direct train line into London Waterloo, we are easily accessible for those members of staff living further away.

We strive for our children to have a love of **learning** and **achieve** their true potential. By being **respectful, responsible and resilient** they can be courageous advocates of change and make a real difference in the world.

If you care deeply about supporting children to grow into unique, confident and compassionate individuals, then come and meet us so we can tell you more about our school.

We are looking for an individual who: -

We are dedicated to ensuring that each individual meets their full potential, be that children or staff. We support career progression and believe in developing staff and 'growing our own' talent where possible. We prioritise investment in our staff and premises to expand and enhance our provision, and are fortunate in our excellent facilities and large school site.
