Dear Prospective Candidate,

Required from September 2026, the Governors and I wish to appoint an enthusiastic, imaginative and inspiring teacher to enable our children to 'Discover a world of wonder, empowered by God's spirit'. This position is full-time and permanent. If you are an ECT, the permanent position would be based on your successful completion of the ECT Programme.

We are looking for someone who has good experience of teaching throughout the different phases and will be flexible in where they are asked to teach.

If successful, you will join a great team of educators at a happy and caring Christian school. We wish to appoint an outstanding classroom practitioner who is committed to ensuring that all children reach their full potential and can guarantee high outcomes for all.

You will also be encouraged to engage in the full life of the school community and support the Christian ethos within the school.

Woodcocks' Well CE (VA) Primary School is committed to safeguarding children and young people therefore all post holders are subject to appropriate vetting procedures. Appointment is subject to the completion of pre-employment checks which will include References (current employer along with a second reference), Health, Right to Work in the UK, DBS and a Declaration with regards to the Disqualification by Association Regulations.

Please contact the school office to organise a visit so you can see our unique school firsthand.

I look forward to hearing from,

Mrs Stephanie Beckett
Headteacher
