About the School

Nova Primary Academy is an ambitious mainstream 4-11 primary school with an inclusive Deaf Hub. The Hub is funded by the High Needs Block and has high needs places for eight pupils. It is also a centre of expertise, providing outreach, training and support for schools who have Deaf pupils on roll throughout the City.

Our ethos is one of calm, purposeful learning, within a harmonious and inclusive community, which we are proud to serve. Currently, there are 370 pupils on roll in two form entry classes, of which 12% have SEND (of whom 20 have EHCPs), 41% are eligible for free school meals and 46% are pupil premium.

We are located within the bustling city of Peterborough and enjoy direct rail links with London. Peterborough is known for its diverse and inclusive culture which is something we celebrate throughout our school; with 28% of our pupils having English as an additional language. We are proud to serve the families of South Bretton and western Peterborough.

We have high expectations for all our pupils and staff, and consider our families to be partners, recognising the vital role that they play. We want to work together as a team, to fully realise the potential of all of our children.

We are on a mission to create a school which enables all pupils to believe that anything is possible and that there are no limits to their potential and achievements.

We work closely with our four Trust schools (Jack Hunt School, Longthorpe Primary School, Ravensthorpe Primary School and Thorpe Primary School), as all schools are within a maximum 15-minute walking distance from each other, which allows us to work collaboratively with our peers across both primary and secondary settings. We are all proud members of Peterborough Keys Academies Trust.

We have recently completed works on refreshing the front façade of our school building, as well as making improvements to our general classrooms and facilities. We benefit from wide outdoor spaces, including a luxurious school field and dedicated play areas and outdoor learning environments. Due to the locality of Jack Hunt School and Ravensthorpe Primary School, our pupils are able to benefit from the Forest School environments located at the two school sites.

We welcome new colleagues to join our dedicated team, who will bring energy, optimism and a drive to build dreams for our pupils.

Nova; a burst of light and energy in a star

About the Trust

Our trust is a vibrant, diverse and ambitious group of five academies in west Peterborough. Formed in 2018, we are a relatively young trust, which emerged from a strong, but loose, alliance of primary schools working with our large Jack Hunt secondary school. Dr Ian Young joined the trust as its first full-time CEO in September 2022 and has led work to create the Strategic Plan 2023-26.

Our schools serve communities which have many similarities but also significant differences, due to the cultural and economic diversity of the city. We celebrate these differences and ensure that each school retains a distinct identity within the trust.

Working together as a multi-academy trust has allowed us to use the expertise across our 5 schools to meet our common goals to give our pupils and students an inclusive, innovative learning community that respects and benefits everyone and has aspirational plans for the future. Our vision is to unlock the potential and create strong life chances for all the children we educate.

To ensure the transition from Primary to Secondary school Jack Hunt School are proud of our Year 7 'My World' curriculum. This has been carefully planned to support the best outcomes for students and encourage independent and reflective learners, through the development of exhibition standard project work.

Our rich offer for all the children in our Trust includes a wide range of sporting activities and undertaking sports leadership courses; University visits in both Key Stage 2 and Key Stage 5; day trips, educational visits and residential; theatre groups in school and educational visits to theatre productions; and a wide of competitions where pupils and students can showcase their talents.

All in our trust have high aspirations for, and high expectations of, every single pupil and student. We want them to be well-rounded, confident, caring young people with leadership skills who are motivated to achieve their best in lessons and beyond the classroom. We want them to be involved in the school, local and global community and leave us as life-long learners, equipped to build on their success and contribute positively to our future.

The central Trust team are available to provide support and guidance to all schools and staff. Director of School Improvement, Ali England is available to discuss any aspect of these roles and provides ongoing support in all aspects of Teaching & Learning. (aengland@pkat.co.uk)
