Candidate Recruitment Pack - Teaching

Welcome to GLF Schools

Where you can Grow, Learn and Flourish

Message from our CEO

Dear Candidate,

Thank you for your interest in **GLF Schools**. We are delighted that you have chosen to explore a career with us.

GLF Schools was founded in 2012 in order to enable the federation of Glyn School (an academy in 2011) and Danetree Junior School. Having worked in partnership since October 2010, both schools' governing bodies and leadership teams believed that, as like-minded partners, working in different sectors gave incredible opportunities to the children, students and colleagues of both schools. Armed with that simple philosophy, we began our 'journey' – a journey that would help us become a trust of more than 2000 talented staff working with over 15,000 children and young people - in 41 schools across 7 local authority areas in Southern England.

We invest continuously in developing our colleagues who work in our schools and in our central team. First-class schools have excellent staff with exceptional leadership teams. We believe in the ongoing professional development of our colleagues across each and every level of the Trust.

Schools are complex communities with people at the heart of our work. People with their ups and downs, their hopes and fears, their more challenging days and very good days. We invest in our colleagues as we believe that, together, we make a positive difference to every child and student. It is with this in mind that each of our schools retains its identity whilst benefiting from the expertise that comes from a dedicated and experienced central trust team.

Joining GLF Schools affords you the opportunity to bring your experience and expertise to our schools and Trust whilst, in return, we provide you with opportunities to enrich your life, both personally and professionally. You will be part of a large community focused on collaboration and support, where staff grow, learn and flourish.

I encourage you to read the testimonials from some of our newer colleagues further on in the pack and to follow us on the below platforms:

A Competitive Pension

GLF Schools employees have the opportunity to become members of a highly competitive pension scheme. This is the **Teachers' Pension Scheme (TPS)** for our Education staff.

Every month you pay a contribution to your pension, which is defined by the relevant pension scheme and deducted automatically from your salary. You don't pay tax or national insurance on your contributions and GLF Schools pay a generous employer contribution too. Both schemes include 3 x salary life cover whilst you remain in service.

Key Features of the TPS

- **Defined Benefit Scheme** - Benefits are based on your salary and service and accrue each year based on 1/57th of your pensionable salary including overtime (e.g. £30k salary/year/57 = £526.32 pension).
- **Life cover** - If you die in service (in service refers to actively paying into your pension – not just having a teaching role), your surviving spouse, civil partner, qualifying partner or nominated beneficiary will receive a death grant from the Scheme.
- **Survivor benefits** - The Scheme offers the security of a long-term pension that is in place to protect your family if something should happen to you before or after you retire.
- **Ill health cover** - If you become seriously ill and are unable to work you may be able to apply for ill-health retirement. More information on [ill-health retirement](#) is available on the TPS website.
- **Flexibility to boost your retirement income** - The scheme provides the opportunity to increase your benefits and those of your family through a range of flexibilities.
- **Freedom to choose when you take your pension**
- **Flexible retirement** - You have the option of being able to retire from age 55* as well as the ability to convert some of your pension into a tax-free lump sum. If you were to fall ill while in service, you would also be able to apply for Ill-health retirement.
- **Tax efficient** - You don't pay any tax on the contributions that you pay into your pension

For more information on the TPS visit the TPS website:

Or view the [TPS Fact Sheet](#)

TPS Contribution rates can be found here

<https://www.teacherspensions.co.uk/members/new-starter/understand-how-much-youll-pay.aspx>

The TPS is administered centrally by the Teachers' Pensions on behalf of the government.

*Taking your retirement before your Normal Pension Age will mean your pension is actuarially adjusted to reflect that it is paid out for a longer period of time. Please note that the minimum pension age of 55 is set by the Government who have stated that they intend to raise it to 57 in 2028, and then keep it ten years below the State Pension Age.
