St Mary Immaculate Catholic Primary School

admin@smiwarwick.co.uk

Class Teacher for Bumblebees (Reception/Year 1) class and Class Teacher for Badgers (Year 5) class

**Are you a kind and hardworking teacher, who believes that a good cup of tea, a chocolate biscuit, and a touch of humour can help to solve just about anything?
If the answer is yes...please read on...**

The Governors of our vibrant Catholic school are excited to invite applications for the role of class teacher in our Bumblebees and Badgers classes (named after the animals we can see in Priory Park, which surrounds our lovely school).

Whilst the mix of EYFS and Year 1 could be seen as a bit more of a challenge, there is a lot of support in place to help manage this and the wonderful Bumblebees classroom and outdoor learning area lends itself to achieving EYFS and Year 1 outcomes. The Bumblebees class will be unusually small in September 2025, with around 20 children in total. All our Key Stage 2 classes are small, with around 20-22 children.

You will find that St Mary Immaculate is full of eager learners and smiling faces - adults and children alike. Both roles are full time positions and begin on 1 September 2025.

St Mary Immaculate Catholic Primary is a genuinely enjoyable place to work. We work hard to build excellent relationships with pupils, parents and the parish, where kindness, trust and good communication are the foundations for all that we do. We are a gorgeous, growing school, continuously looking to improve the learning experiences of our pupils, whilst balancing our teachers' work-life balance.

What we can offer:

- Delightful children who are eager to learn and a joy to teach,
- Wide-ranging Continuing Professional Development opportunities to support your career growth,
- A steady supply of chocolate biscuits (because we know how important they are),
- A supportive Governing Body dedicated to both school improvement and staff wellbeing,
- A commitment to your ongoing professional development and success, and
- Strong collaborative links with the wider educational community.

We seek a teacher who:

- has a growth mindset and eagerly promotes this within their class,
- demonstrates enthusiasm and creativity,
- is a confident and passionate user of technology in the classroom,
- will challenge, inspire and motivate others,
- has a keen sense of humour,
- fully supports the faith life of the school, and
- displays commitment to the protection and safeguarding of children

PLEASE NOTE: For shortlisted candidates an online search will be carried out. This will assist the panel should there be any issues they feel need to be explored in more depth at interview.

How to apply:

We are very keen to offer visits to the school with our Executive Headteacher Mrs Wallace. To apply please complete the CES application form included with this job listing, and refer to the attached job description. Please contact Mrs Bhagate on 01926 493959 or email admin@smiwarwick.co.uk to arrange a visit.

Closing date: Friday 11 April 2025

Short listing: Friday 11 April 2025

Interview date: Friday 2 May 2025
