- modern, well-resourced classrooms
- friendly and dedicated staff committed to supporting each other as well as the pupils
- an exciting curriculum with international school links
- generous amount of non-contact time
- opportunities for career progression

Visits prior to application are essential and can be arranged by telephoning the school office.

Parents are very positive about the school. They are impressed by the progress their children make. They also appreciate the approachability of the staff and visible leadership. Staff love working here. They feel supported by leaders and find workloads manageable. (Ofsted 2022)

Adults are well supported because of the culture of kindness and collaboration, and care for their professional development. As a consequence, they show great commitment to the school and pupils, bringing consistency and stability so that all may flourish.
