28<sup>th</sup> May 2024

Dear Applicant,

Thank you for showing an interest in the teaching post at Monkton Park Primary School for September 2024.

As you will have hopefully seen from our advert we are really proud of our school and we think it is a great place to work! The school itself is well regarded in the local community and we are consistently oversubscribed. The grounds include a wildlife area, running track and large field which are all used throughout the year, whatever the weather. Within school we have a beautiful library which is well stocked and our pupils love their weekly library session. Our location is perfect for so many local places and we regularly use the facilities in Chippenham centre such as the Neeld hall, library, River Avon and train station.

As a teacher you would be joining a really supportive team who all work hard for each and every pupil. We make sure you have access to a wealth of resources to help you plan lessons. Talk4Writing, Sounds Write phonics, Kapow and Plymouth Science are just some of the schemes of work which are well established within the school. This means you'll never start planning with a blank page, allowing you to focus on how you will deliver the content. On starting with us you will get a laptop and each classroom has an interactive TV and visualiser. Our banks of Chromebooks are used on a daily basis and we use a range of technology across the school.

We would recommend a visit before applying so that you can decide whether Monkton Park is the right school for you. For your application please submit the standard application form with a supporting statement of no more than 2 sides of A4 paper.

Yours faithfully,

Steve Rafferty  
Headteacher
