Mulberry Academy Hastings

A Mulberry education is thoughtfully designed to ensure every student has the best possible opportunity to leave us well qualified, skilled and confident – ready to lead socially, spiritually and economically prosperous lives.

We believe that a great education is a human right and the key to future security, happiness and wellbeing. Yet equality and diversity issues in wider society continue to create barriers for many young people.

A Mulberry education is premised on three under-pinning principles:

- Access to education and the chance to be educated is a human right in a civilised world.
- Education should provide rich intellectual and personal development for individuals and communities of people.
- Education is a public good.

These principles are the starting point for everything we do, including the work of our schools, our governors and trustees, school staff and senior leaders within the Trust. Each of our schools shares a common purpose: support student wellbeing and nurture ambition, creativity and self-determination.

At the Mulberry Schools Trust, our mission is to ensure that every child receives an outstanding education, whatever their starting point. Trustees, staff, students and parents/carers share a commitment to outstanding achievement for all – and we work together to make that a reality.

We also build coaching into teachers' timetables, ensuring every teacher benefit from regular professional dialogue, reflection and support to continually develop their practice.

As part of the Mulberry Schools Trust, staff benefit from Trust-wide expertise, strong collaboration, and opportunities to grow professionally. The East London Teaching School Hub further enhances this offer, delivering nationally recognised programmes and enabling staff to engage in and contribute to training across all career stages.
