To start: 01/11/25

Medina College is seeking to appoint a qualified, enthusiastic and innovative Science Teacher. We are looking for an energetic, high quality ECT or more experienced teacher, with commitment and a clear vision that will lead to continued and sustained improvement for our students. This will cover various curriculum areas and support as required.

Medina College is part of HISP MAT. The MAT is early in its growth and the Colleges are fast-paced, fun and caring environments in which to work and there are excellent opportunities for personal and professional growth and development. We believe in building excellent educational environments that inspire and unlock potential in all of its school communities. There are multiple schools within the Trust, covering the age ranges from nursery to 19 with plans to expand and grow quickly across our geographical location.

If you feel you have what it takes to be part of our dynamic team, we would be delighted to hear from you.

Please note that we cannot accept applications which are not submitted on the official application forms, and we do not accept CVs under any circumstances.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share in this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. Online searches and references will be taken up for those candidates short-listed for interview. The successful candidate will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

Please send completed applications to hr@iow.hispmat.org

We are an equal opportunities employer and welcome applications from all sections of the community.

Closing date: Sunday 14th September 2025
