To ignite imagination and curiosity which builds an enduring passion for life long learning.

MPS 1-6

Y2/3 teacher – full time (Shepeau Stow)

The post is available from September 2021 but we are prepared to wait until January for the correct candidate.

An exciting opportunity has arisen for a class teacher within our Federation. We are two small, caring and aspirational rural primary schools in the South of Lincolnshire close to the growing city of Peterborough and the market towns of Spalding, Holbeach and Wisbech. We want to appoint a teacher who provides an exciting learning environment that promotes high achievement and excellent progress for all. The schools benefit from small class sizes with teaching assistants in all classes, and an experienced and supportive team of teachers.

We wish to appoint teachers who:

- Wish to inspire and motivate our children to reach their full potential whatever their prior levels of attainment
- Are welcoming, enthusiastic and strive to build positive and supportive relationships
- Are flexible and creative in their approach to learning and reflective about their own practice
- Embrace collaborative working and are willing to share good practice
- Have excellent organisational skills
- Bring a sense of fun to learning.

We can offer you in return:

- A highly supportive and friendly team to work alongside
- A calm, happy and focused learning environment
- Release time for report writing and Subject Leadership (where applicable)
- CPD opportunities through strong links within a supportive collaborative partnership of local schools

Our Federation works closely with partnership schools for shared training opportunities and professional development.
