The Pochin School

Welcome from the Head Teacher

The Pochin School is a successful school with a very dedicated staff who care about the needs of all our community members. We are proud to be able to offer a stimulating environment which aims to develop each child's potential while encouraging their individuality.

We are a school that is always striving to do better and one that faces the challenges of education with a positive attitude. We are a school with a long history of success and achievement balanced by an outward looking profile that aims to learn from the educational environment around us. However, we contrast this with a traditional feel about the school with smart school uniform and long established traditions.

We believe children learn best when they feel safe and secure. We aim to offer an outstanding education that encourages each child to be the best they can be. We recognise individual talents and develop confidence so every child is motivated, inspired and enjoys learning.

I look forward to receiving your application!

About the School

The Pochin School is a co-educational school for children aged four to eleven years in the village of Barkby. We also have a term-time pre-school based in the Village Hall for three and four year old children. Many of the children come from outside the catchment area from the surrounding villages and Hamilton. In total we have approximately 145 children.

The main building was built in 1869 and enlarged in 1894. It is a Grade 2 listed building that has been modernised in the last few years to make it suitable for the 21st Century whilst maintaining its character. The school has five classes. Outside, we have two playgrounds, one for the Foundation Stage and Key Stage 1 children and one for the Key Stage 2 children. The Cricket Pitch is used as a sports field and we use the Village Hall for dinners, assemblies and PE.
