We are looking to appoint highly skilled and motivated teachers to join our dedicated team from September 2025.

Beaver Road is a larger than average, diverse primary school situated in the heart of Didsbury Village. In September 2018, we began our expansion from three forms of entry to five forms of entry across two school sites. The school currently has over 1000 children from 3 to 11 years of age. This will expand further in September when we add our final class to Year 6, bringing our schools capacity to 1150 children. Children from Nursery to Year 3 are based at Beaver Road First School site (M20 6SX), while children in Year 4 to Year 6 are based at our new purpose built Junior School site (M20 2RN) on Wilmslow Road.

Beaver Road Primary School is currently part of the M20 Learning Trust. Together with an exceptional team of talented and inspiring staff, we are committed to excellence, collaboration and respect. In its most recent inspection, Ofsted recently graded the school 'outstanding' in all areas.

"The school has created a culture of ambition and continuous improvement for staff and pupils alike. Staff are immensely proud to work at this highly inclusive school. They value the strong relationships and teamwork with their colleagues. The school considers staff's workload to help them to fulfil their responsibilities." **Ofsted, November 2024**
