Welcome from the Head Teacher

Dear Applicant

Thank you for your interest in Melton Vale Sixth Form College and our recently advertised post of Cleaner Supervisor.

Choosing an institution where you find a fit in terms of ethos and values is key to thriving in a role. Having joined MV16 in April 2023, I am incredibly proud to have joined a strong community of passionate and committed staff who work together to support a caring and ambitious student body. Judged Ofsted outstanding in March 2023, we provide a top-class A level education for the students of Melton Mowbray and the surrounding counties. Specialist A level teaching staff, superb purpose-built facilities, a diverse and broad curriculum, and expert support are the cornerstones that we provide for our cohort of approximately five hundred young people. However, as an outstanding college, we are not complacent. We strive to maintain the highest standards across every aspect of college life, ensuring our environment is clean, safe, and welcoming for students, staff, and visitors alike.

The Cleaning Supervisor works within the cleaning team and alongside the site team, and the function sits within the broader Business Support Team, which is led by the College Business Manager. The team delivers all non-educational functions, including operations, facilities, admissions, finance, marketing, HR, governance, and SLT support. We work collaboratively with teaching staff to ensure we provide a first-class educational environment for our young people.

The role would suit someone with experience in cleaning operations, team coordination, or supervisory roles, ideally within an educational or commercial setting. You will be responsible for leading the daily cleaning operations, maintaining high standards of hygiene and presentation across our site, managing cleaning supplies, and supporting the training and development of team members. You will need to be comfortable using standard cleaning equipment and following Health & Safety guidelines, including COSHH procedures (training will be provided). The successful candidate will be able to contribute to the wider remit of the Business Support Team by being approachable, reliable, flexible, and having a positive, 'can-do' attitude. Alongside wanting the best for our students, we also want you to grow professionally while you are with us. We operate a growth model where individuals steer their own professional development in a direction of your own personal interest. Additionally as part of the Nova Education Trust there is a strong network of specialists available for support.

If you would like an informal chat about the role please contact our College Business Manager, Samantha Newark on 01664 504750 or email snewark@mv16.org.uk and I would be happy to set that up. Otherwise, I look forward to receiving your application and thank you for taking the time to complete it.

Welcome from the CEO

Dear Applicant,

Thank you for your interest in working at the heart of **Nova Education Trust**. I hope that you will find this pack useful and informative in helping you to find out more about our organisation and to complete your application.

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards. Over the last few years, our organisation has undergone a significant transformation and is unrecognisable culturally, educationally, financially and in governance terms from the organisation it was pre-2021.

Educationally, we go from strength to strength. 94% of our academies are now judged by Ofsted as Good or Outstanding, compared to 47% that weren't when they joined us. Nova's KS2 SATs performance is strong whilst Progress 8 and 5+ EM across all of the schools is currently ranked as one of the highest in the region. We are highly valued and respected by the DfE, the Local Authorities and other local trusts. This is testament to our brilliant pupils, staff and the communities that we serve. Our trust support and governance is strong and has been externally recognised as amongst the best in the sector and our organisation is financially stable. We understand and we believe that schools belong to their communities — the mission is the same, but the vision may look different in our range of contexts and settings.

We are committed to our vision, values, ambitions and principles, and we are determined to achieve our mission of creating transformational schools. We are looking for a talented and inspirational leader who is committed to transforming the lives of our learners, with the imagination, passion and experience to support and challenge us to even greater things in the service of our young people.

Nova Education Trust is an organisation that trusts and empowers its staff. Front and centre to this is our commitment to well-being and engagement because we believe in enabling people to be at their best. We

are changing the way we support people to grow and develop, through 'coaching, not telling' — we now have over 150 professionally-trained coaches in the organisation and we have plans to train all middle and senior leaders. We think it's essential that colleagues can access excellent professional development and progression pathways which suit their individual needs. We pledge to lead the way with Diversity, Equity and Inclusion in our organisation. We will introduce new and innovative ways to increase the diversity of our workforce and continue to strive for an inclusive culture in which people have a voice and can contribute, feel a sense of belonging and are able to be themselves.

It is such a pleasure and privilege to lead such a talented group of staff who are forever looking for new and innovative ways to make us even better, each and every day. I am so proud of what we have achieved so far but I know that we can do even better, despite the challenging educational landscape that we find ourselves in. We have a highly skilled, experienced, dynamic and diverse board. They are so supportive yet professionally challenging and there is a great synergy and trust between the board and the executive team.

If you have got a sense of humour, drive, energy and enthusiasm to make us even better then we'd love to hear from you. This is a fantastic opportunity to join a values-driven trust at an exciting stage in our development.
