Welcome from the CEO

Dear Applicant,

Thank you for your interest in working at the heart of **Nova Education Trust**. I hope that you will find this pack useful and informative in helping you to find out more about our organisation and to complete your application.

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards. Over the last few years, our organisation has undergone a significant transformation and is unrecognisable culturally, educationally, financially and in governance terms from the organisation it was pre-2021.

Educationally, we go from strength to strength. 94% of our academies are now judged by Ofsted as Good or Outstanding, compared to 47% that weren't when they joined us. Nova's KS2 SATs performance is strong whilst Progress 8 and 5+ EM across all of the schools is currently ranked as one of the highest in the region. We are highly valued and respected by the DfE, the Local Authorities and other local trusts. This is testament to our brilliant pupils, staff and the communities that we serve. Our trust support and governance is strong and has been externally recognised as amongst the best in the sector and our organisation is financially stable. We understand and we believe that schools belong to their communities — the mission is the same, but the vision may look different in our range of contexts and settings.

We are committed to our vision, values, ambitions and principles, and we are determined to achieve our mission of creating transformational schools. We are looking for a talented and inspirational leader who is committed to transforming the lives of our learners, with the imagination, passion and experience to support and challenge us to even greater things in the service of our young people.

Nova Education Trust is an organisation that trusts and empowers its staff. Front and centre to this is our commitment to well-being and engagement because we believe in enabling people to be at their best. We

are changing the way we support people to grow and develop, through 'coaching, not telling' — we now have over 150 professionally-trained coaches in the organisation and we have plans to train all middle and senior leaders. We think it's essential that colleagues can access excellent professional development and progression pathways which suit their individual needs. We pledge to lead the way with Diversity, Equity and Inclusion in our organisation. We will introduce new and innovative ways to increase the diversity of our workforce and continue to strive for an inclusive culture in which people have a voice and can contribute, feel a sense of belonging and are able to be themselves.

It is such a pleasure and privilege to lead such a talented group of staff who are forever looking for new and innovative ways to make us even better, each and every day. I am so proud of what we have achieved so far but I know that we can do even better, despite the challenging educational landscape that we find ourselves in. We have a highly skilled, experienced, dynamic and diverse board. They are so supportive yet professionally challenging and there is a great synergy and trust between the board and the executive team.

If you have got a sense of humour, drive, energy and enthusiasm to make us even better then we'd love to hear from you. This is a fantastic opportunity to join a values-driven trust at an exciting stage in our development.
