Message from the Headteacher

Thank you for showing an interest in the Cleaning Operative post at Bosworth Academy.

At Bosworth Academy, our aim is to ensure all students continue their journey into adulthood as confident, capable and successful people who can take control of, and enjoy, their future lives.

‘Be better than you thought you could be’

We encourage and work with students so they can concentrate on learning in a co-operative environment, valuing everyone’s positive contribution and promoting a strong sense of community and responsibility towards others. Every student is important to us, and everyone should experience a first class education, with high challenges and equally high expectations. Every child has the potential to develop and to achieve highly. It is our role as teaching professionals to foster within them a deep passion for learning. We aim to instil in our students the notion of a growth mind-set; the belief that they can get better at anything through hard work, high challenge, determination and practice.

We work hard to provide the best teaching, clear guidance, and effective support, recognising the individual learning needs of each student, and personalising their experience accordingly. Our driving passion is a belief that ‘no student at Bosworth Academy will underachieve’. It is our responsibility to raise students’ aspirations and continually drive home the message that you can ‘be better than you thought you could be’.

We offer an exciting, ambitious and seamless pathway through Key Stage 3 and 4, to our Sixth Form, and onwards to university, apprenticeships and beyond. We are excited by the prospect of being one of only a select few institutions able to offer this in Leicestershire.

We invest in our staff to develop their potential capital. Through purposeful collaboration and coaching we aim to support all of our team to excel. Investors in People recognised this – rating us as a ‘Gold’ provider. This post offers an exciting opportunity to help us on our journey towards excellence in every area.

We want the best possible future for all of our students, so we know it is important to invest in them now. Crucially, we believe that all students have enormous potential, therefore we challenge them to be the best, help realise this potential and transform this into high quality qualifications.

We look forward to receiving your application and good luck!

LiFE Multi Academy Trust Charter

All our schools work within the LiFE Operating Model. We work together in a genuinely collaborative way and we also celebrate the strengths and individuality of each of our schools. This operating model can be distilled into the following principles to which all our schools subscribe.

1. Leadership

We commit to the principle of genuine collaboration to find evidence led and innovative ways to enhance the efficacy of learning, leadership, engagement and aspiration.

We coordinate calendars to allow maximum benefit from Trust wide opportunities.

We encourage, create time for, and inspire our best teachers, support staff, and leaders to work for the benefit of our schools within the Trust.

2. Learning & Teaching

We aspire to offer an educational experience which is inspirational, innovative and delivers integrity in adults and children.

3. Quality Assurance

We embrace the notion of mutual accountability: no individual, team or school can feel they are successful unless all individuals, teams and schools are successful. We consequently commit whole-heartedly to peer review which precipitates peer support. We commit to providing the Trust board with timely, coordinated, accurate and appropriate data and information about our schools to allow for the best possible deployment of resources.

4. Professional Development

We embrace the power of trust wide professional development, and therefore contributing as well as benefiting from that professional development.

5. Curriculum

We commit to providing a curriculum and an approach to pedagogy that is irresistible, inclusive and aspirational. We commit to recognising the head, hand and heart in equal measure. We recognise the importance of personalisation, and the importance of each child feeling known, celebrated and cared for. We commit to ensuring our curriculum foregrounds the understanding and appreciation of cultural diversity, social injustice, protecting our environment and supporting our communities.

6. Community Leadership

We make educational choices for our children driven by putting their needs, and those of their families and communities first.

We commit to being a force for good and lead positive change within our community.

7. Behaviour & Wellbeing

We commit to an approach to ensuring the right learning behaviours based on building warm and caring relationships, and the importance of our children feeling known, heard, safe, loved, appreciated and cared for. We recognise that to achieve this we also need high expectations, consistency, and an understanding that negative behaviours hurt us all. We therefore understand there must be clearly articulated consequences where children fall short of our high expectations, but also support to help children behave with social conscience and uphold our values.

8. Inclusion

We commit to embracing and promoting diversity and the celebration of cultural differences. We recognise that to do this, we need to create safe spaces, where all aspects of social injustice can be discussed, addressed and challenged.

We commit to operating inclusively in all we do; LiFE schools welcome and celebrate children from all backgrounds and with all forms of individual needs. We recognise that to do so, promotes social mobility, social cohesion and fights social injustice.

9. Staff Wellbeing

We recognise that our employees are our greatest resource, and consequently we commit to ensuring that all employees feel valued, supported and nurtured. We commit to sign the Mindful Employer Charter which recognises mental health needs alongside physical wellbeing.

See our policy for further details.</p> <p>Flexible working arrangements are also promoted across the Trust where possible, to enable our staff to manage their work life and family commitments.</p>
<p>Strong Induction Process</p>	<p>It is important to us that every member of staff has the right start to working in our Trust. The importance of a good induction is invaluable for new starters irrespective of previous experience. To support this, we have a New Staff Induction Day before the start of term, which enables colleagues to get a real understanding of what the school is about and what it means to be part of the Trust. This day also prepares new staff for our training (conference) days at the beginning of the Autumn term. In addition to this ALL staff are invited to visit a series of lessons across the school year.</p>
<p>ECF Programme</p>	<p>We offer Early Career Teacher a robust, supportive and bespoke training programme which will enable you to develop into an outstanding teacher.</p>
<p>Continued ECT and ECT support</p>	<p>Where possible we try to ensure that ECTs and second year ECT teachers have reduced teaching loads to allow them more opportunities for CPD throughout the school week. This also allows for peer to peer observations and additional coaching to take place to develop their practice.</p>
<p>3DJ Networks</p>	<p>3DJ Networks are an opportunity for faculties to share good practice and new ideas with colleagues across the school, based on our unique 3DJ Learning and Teaching model.</p>
<p>Attendance of staff</p>	<p>Our staff are committed to their roles and ensure that students are supported to maximise their outcomes. Levels of attendance are exceptionally high across all schools and well above national averages in the education sector and beyond.</p>

We are always looking for highly quality teachers and support staff who buy into our values across the LiFE Multi Academy Trust and our schools
