CREATING REMARKABLE SCHOOLS
NO CHILD LEFT BEHIND

Welcome to Beckfoot Trust

Thank you for your interest in Beckfoot Trust. We really appreciate it. We are a family of schools who are purposefully working together to create remarkable schools where no child is left behind. We need great mission-aligned people to join us and live and breathe our mission and values.

The Trust was established in 2013 by the founding CEO David Horn and his team and there were originally two schools, the fact that one was special and one was mainstream is highly symbolic. Since then, we have steadily built up to ten schools; four secondary, four primary and two special. Our Trust was founded because we believe that schools, people and community are stronger by working together. To join the Beckfoot Trust a school has to be located in Bradford, be genuinely comprehensive in character, be mission aligned and critically, must believe in the power of collaborative practice to drive improvement.

We educate over 7,300 learners aged 2 to 19 and have 1100 staff. All of our schools are improving at pace and we have seen some remarkable transformations. There is huge pride across our community in what we stand for and are seeking to achieve. We are an optimistic organisation and we genuinely believe that 'everyone can'. As one Trust where all belong, we have clarity over our principles of alignment and what must happen in every Beckfoot Trust School. We also strongly believe that Headteachers must have the power to lead. Whilst community and context are never used as an excuse for low standards or dis-alignment, we respect and value diversity and recognise that there may be differences in the implementation of some strategies in some settings.

We believe that Beckfoot Trust is a great place to work. We offer competitive salaries, dedicated INSET days for planning, bespoke professional development including career stage leadership development programmes and much more. In particular, our Early Years Career Strategy ensures that teachers new to the profession are well supported as they transition from trainees to accomplished teachers. We take a great interest in the psychological wellbeing of our employees as they are the people that make a difference to the lives of our young people on a daily basis.

Please take the time to read about our 10 core features as explained on our website, and if possible, take the time to visit or contact us to find out more at BeckfootTrust@beckfoot.org

I am incredibly proud to lead our Trust and I am sure that if you visit, you will find that our moral purpose is quite simply palpable.

Beckfoot Nessfield

Our core purpose at Beckfoot Nessfield is to nurture and empower all our children to succeed in life.

We have artists, runners, dancers, horse riders, footballers, singers, mathematicians, authors, environmentalists and a few comedians! Whatever our children want to achieve, we are here to work alongside parents to provide them with the skills to enable them to fly. Our school logo is an owl and we want our children to 'soar ahead'.

Our new curriculum offer is intrinsic in enabling our children to thrive. It is built around four key drivers: possibilities, initiative, diversity and community. These nurture our children into rounded young people ready for what life has in store for them:

Possibilities: we grow children's aspirations by opening up all possibilities. They take part in enterprise and fundraising events, experience different jobs and careers, engage in global issues and are inspired to travel. They take part in a myriad of trips to enrich their learning. There is never a week when we are all in school!

Initiative: we want our children to grow as independent learners by encouraging them to investigate their own lines of interest. We want them to ask difficult questions and not be dependent on adults for answers. They are the 21st Century generation skilled in new technologies!

Diversity: our diverse school community makes our school special. Our pupils feel secure, valued and are confident to talk about their beliefs and feelings. They learn to celebrate difference through a thoughtful range of experiences including visits to places of worship; local history topics and community members sharing their lives and beliefs.

Community: our children are positive members of their community. Our children are amazing and take part in a wide range of activities in and out of school. They are passionate fundraisers and care about the world in which they live. We teach them honesty, trust and respect. We hold shared values and high expectations for all.

These unique drivers thread through everything in school and we continue to develop them. We welcome your input. If you have an interesting job or hobby, we would like to know. If you have an interesting family history, we want to know or if you want to support on one of our trips, let us know. Working together we will ensure Beckfoot Nessfield children soar ahead.

Beckfoot Oakbank

Thank you for your interest in our school and the work we are doing to transform life chances for young people in Keighley.

At Beckfoot Oakbank we are incredibly proud of our students and their desire to be involved in shaping the way the school moves forward. 2019 saw Beckfoot Oakbank host the first Trust wide student leadership conference – a great moment for our student leaders

Some of the other highlights last year included:

- Three great celebration events where students were recognised for academic attainment, attitude to learning, community contributions, progress and sporting successes.
- Our school show – High School musical!
- Enrichment week saw our students engage in a raft of activities that added to their educational experience ranging from arts and crafts, a tour of Yorkshire to residential trips in Europe.
- In enrichment week the year 10 students engaged in a range of activities that would help prepare them for their next steps.
- We also had a range of winners in a prestigious engineering competition.
- Sporting success were many as are the opportunities to be involved in a range of sports and activities.

The summer results saw all of our Post 16 students be successful in their progression to higher education and at GCSE we saw a real increase in the number of top grades for individual students. We are not complacent and are working hard to develop our curriculum and improve outcomes for all our learners. Our students are polite and respectful towards their peers, staff and visitors as acknowledged by the Ofsted inspection team in May.

As a school we know we are on a journey of improvement and our aim is to be a truly great school. We are keen to involve our families and our local community in this journey in order that we ensure that our students love learning, celebrate diversity and are inspired to be self-confident open minded, decisive young adults with the skills and experience to succeed in life.

Beckfoot Phoenix

At Beckfoot Phoenix Primary Special School, we work hard to make sure that all our very special children can 'be the best they can be'. In our school, children come first. They are listened to, respected and nurtured.

Children tell us and show us that they enjoy school. Our curriculum is focused on the key skills that children with learning difficulties need for life i.e. personal skills, physical strength, staying healthy, reading, writing, number and communication. These are taught through motivating lessons in the classroom as well as in real life situations e.g. In the supermarket or at the café

Within the curriculum, children enjoy linking and working together with children from Beckfoot Priestthorpe Primary School as well as taking part in work experience at the local farm and regular events with other schools in the Trust, e.g. swimming gala, sports day, arts day and the Trust environment group. A very exciting recent 'addition' to our curriculum has been our focused activity weeks throughout the year. In our first ever 'Caring me' week, every class had to care for a class pet, be it a bearded dragon, a guinea pig, a tortoise or a hamster, and children were taught about having 'caring hands' through visiting older people in care homes, grooming donkeys, looking after guide dogs, bathing real babies as well as making raising money for charities. 'Caring Me' week was a great success and the children loved it and so did staff and parents! Parents have told us that they 'love' the new curriculum and children seem to love it too.

If you would like to know more about our curriculum, or about what we do at Beckfoot Phoenix, please get in touch. We are very proud of everything that our children achieve in our school, and we would love to hear from you.

Beckfoot Upper Heaton School

Beckfoot Upper Heaton is an 11-16 secondary school with 595 pupils. The school joined the Trust in September 2015 having been through a very difficult period. The school was judged by Ofsted to be Good when inspected in 2018, a remarkable transformation in a short period of time. The school is now over-subscribed in the lower years and achieving outcomes that are amongst the highest in the country for progress made. The school moved into a new purpose-built accommodation in January 2017.

Hazelbeck Special School

Hazelbeck is a school for students with special educational needs aged 11 – 19. It was the first school to join the Trust in 2013. Within 18 months the school had moved from one requiring improvement to outstanding in 2015 in every category. Following a recent Ofsted inspection (May 2019), Hazelbeck school continues to be outstanding. It is co-located with Beckfoot School. It is a remarkable school.

Working at Beckfoot Trust

Working at Beckfoot Trust has many benefits, we are an employer that invests in staff wellbeing and welfare, professional development and conditions of service.

Conditions of Service

Beckfoot Trust employs staff on nationally recognised terms and conditions and then adds more to ensure its staff feel cared for at work and in their home and family lives. We've tried to think of everything an employee might want to know about working at Beckfoot Trust and documented it in our Work and Families policy that you can read on the Trust website.

Staff Wellbeing

We know that working in schools is a challenging and worthwhile profession and you will make a difference to the lives of young people. We also know that sometimes everyone needs a little support, that's why we publish our workload pledges and that's why there will always be someone to listen to any concerns you may have.

Professional Development

Professional development is a right when you join Beckfoot Trust. We expect people to want to learn new things and expand their horizons for every one's benefit. That's why Beckfoot Trust has a reputation for great continuing professional development and you can see the offer explained in our Trust CPD offer documentation found on the Trust website.

Working and living in Bradford

Five Reasons to Teach in Bradford from BradfordTeaching.org

<https://www.bradfordteaching.org/>

1. Demand for good quality teachers is high. We are the youngest city in England – almost a third of people living in Bradford are under 20 – so education is key to our future.
2. You'll get experience of working with different people and cultures in one of the most diverse cities in the UK. About half of our school students are from black, Asian or minority ethnic communities.
3. You'll find school leaders on a mission to deliver the best education possible to create life chances for young people. We have one of the first research schools in the country and strong multi-academy trusts, offering exciting career opportunities.
4. You will change lives here. About a quarter of our children are classified as living in poverty. If you believe that opportunity should never be limited by a child's family income, then we need your passion and your skills in Bradford.
5. We're a growing, ambitious city with an entrepreneurial spirit and a trend of educational improvement. Be part of our success story.

A Wonderful City to Live in

<https://www.visitbradford.com/visitor-information.aspx>

An award winning, cultural destination and one of the youngest, most vibrant places in the country. Combine a UNESCO City of Film and World Heritage Site with wild and beautiful moorlands, throw in world class artists such as David Hockney, and literary greats, The Brontës, couple that with a vibrant city, packed with heritage and fun things to do, and you have Bradford! With attractions such as Brontë Country, Keighley and Worth Valley Railway, the Cow and Calf rocks, Ilkley Lido, Salts Mill, the National Science and Media Museum, and the Alhambra Theatre, all just a short train journey apart; it's no wonder Bradford has been awarded the title 'Emerging Destination 2018' by the Luxury Travel Guide. It is a cultural city with many attractions and an impressive history, which is reflected in the striking architecture found throughout. Take in the high profile exhibitions and interactive galleries at the National Science and Media Museum, which overlooks the multi award winning City Park, a beautiful water feature and an arena for a spectacular events programme throughout the year. Bradford city centre is home to the Alhambra Theatre and newly reopened St George's Hall. Both over one hundred years old, they offer a complementary mix of comedy and west end shows. Proud to have been one of the richest cities in the country due to its international recognition for wool, the Wool Exchange, built in the 19th Century, still shows the wealth and importance wool brought to Bradford through its architecture. Nowhere is this more evident than in Little Germany, a unique collection of 19th Century buildings, 55 of which are listed.

Travel and Transport Links to get you Around

Getting to Bradford district couldn't be easier whether you choose to drive or use public transport. Once here you can travel around the district with a great range of public transport available connecting you to all the must see places.

How we Create Remarkable Schools

Ambitions for Staff

A Positive Culture and Working Conditions
The Trust's success is sustained by four themes we promote under the heading of people and talent:

- Effective Leadership of People
- Investment in Professional Development
- Managing Workload and Well-being
- Respecting National Conditions of Employment

Family Involvement in Learning
Families give school an expert understanding of their children. By celebrating difficulties we can work together to overcome difficulties, attend to our young people's behaviour, have a positive self-regulate their behaviour, attend to their regularity and work independently at home.

Seamless Transition from Early Years to Adulthood
The Trust focuses on securing a smooth transition from primary to secondary to sixth form, college and the world of work.

Our curriculum inspires learners to be:

- Confident Communicators
- Knowledgeable and Expert Learners
- Committed Community Contributors
- Future-ready Young People

No Child Left Behind
The Trust believes that every learner has the potential to do great things with their lives and also that they all have some element of vulnerability that needs to be cared for.

Ambitions for Our Young People

A Curriculum for a 21st Century Generation
