

Cluster SENDCO

Are you ambitious, motivated and have a passion for improving the outcomes for pupils with SEND? Do you want to be a strategic SENDCO who helps support the Trust in further developing our SEND practice? If so, we have an amazing opportunity for you.

We are delighted to be advertising for a Cluster SENDCO to work with several allocated schools in the Trust. Whilst providing support to schools in the development of SEND systems and processes, you will also collaborate with our Cluster SEND Leads to raise the progress and attainment of pupils with SEND in all schools.

You will be an excellent teacher with senior SEND experience, who can exemplify research-led SEND practice within the classroom, have great communication skills in order to support others in a professional manner, and be able to see next steps in teaching practice and support staff in achieving these.

The work within schools will be varied; as a named SENDCO and/or in a system leader role, you will provide coaching for staff members, develop and deliver CPD for schools, support teaching assistants in enhancing their practice, as well as working with the SEND Team on various projects. The role is an exciting opportunity for strong teacher and SENDCO looking to move into a non-traditional educational leadership route in an ambitious trust that wants to have the best teachers in the country.

We can offer you:

- Great opportunities for personal and professional growth
- A range of CPD opportunities
- A supportive Trust team, with strong pedagogical knowledge
- An ambitious Trust who uses research and evidence in practical ways

The right candidate will have:

- Strong pedagogical knowledge, and a keen interest in improving education outcomes for pupils with SEND
- Leadership skills to enable them to support and influence others
- A positive outlook and a resilient nature
- A commitment to developing their own, and others, practice as part of a team
- The ability to see next steps in teaching and offer practical advice
- A desire to learn and develop themselves

Discussions with the John Keech, Deputy Director of Education are encouraged. To make an appointment please contact Saira Shiraz, HR Administrator, recruitment@risemat.co.uk

Closing date: Tuesday 20th February, 9:00am

Interview: Monday 26th February
