

Kennet School

Excellence through Endeavour

Application Pack
Computer Science Teacher

WHAT WE BELIEVE

At Kennet School we employ forward-thinking, creative teachers who are unapologetically passionate about their subject. Our motto, 'Excellence through Endeavour', does not apply to our pupils alone.

We place learning at the heart of everything we do. Through our learning blog and innovative professional development programmes, we seek to drive education reform through the heart of our school, making decisions that are right for our pupils whilst being an exciting place to work.

We do not believe in restrictive marking policies, for example those that demand a consistent marking technique. Rather, we value the full range of assessment methods and equip staff with the ability to plan the appropriate strategies alongside learning.

Our curriculum is rich in knowledge because we believe knowing things provides a foundation for being able to do things. Department and training opportunities create space for the ongoing development of the curriculum as we understand the value that specialist teachers bring to this process.

We value the time of our staff and all teachers start with a 15% PPA allocation. Additional admin support is provided to ensure all teachers are able to focus on their first priority: pupils' learning.

A rigid behaviour procedure enables departments to manage low level disruption internally. Our procedures reduce the demands on staff whilst ensuring that poor behaviour is dealt with swiftly and positive behaviours don't go unnoticed.

If you are passionate about seeing young people achieve more than they thought was possible and recruiting the next generation to your field of expertise, then we welcome your application to join our team.

Ms G Rigg
Acting Headteacher

APPLICANT LETTER

Dear Applicant

Thank you for your interest in the post of teacher of Computer Science. We are a friendly and collaborative department and would be excited to welcome a forward-thinking and passionate computer scientist to the team.

We are based in a brand-new Computer Science suite with four fully equipped classrooms. You will be joining our team of three qualified computer scientists to teach this exciting, creative and innovative subject. The successful applicant will be able to teach at Key Stage 3 and Key Stage 4. The ability to teach A Level is an advantage.

This position is suitable for either a newly qualified or more experienced teacher and has a start date of January 2023. Kennet has an excellent CPD programme and works closely with teachers at all stages of their careers to support their professional development and career progression.

The Computer Science department continues to achieve outstanding results at both GCSE and A Level with a large numbers of pupils choosing it as an option at both key stages.

If you're undecided about applying, we would love to welcome you for an informal visit at your convenience. If you would like to discuss this or any possible job opportunities at Kennet School, please contact Mr Clegg (Assistant Headteacher): gclegg@kennetschool.co.uk

If you've already decided to apply, the easiest way to do so is by clicking the 'Quick Apply' button on the TES website. Alternatively, application forms can be downloaded from the vacancies page on our website and submitted by email to office@kennetschool.co.uk.

Applications must be received by Monday, 26 September (9am)

Yours sincerely

Mrs S Zamani
Head of Computer Science

Job Title: Computer Science Teacher
Salary: MPS/UPS (£25,714 - £41,604)
Contract: Full Time (Permanent)
Required for: January 2023

WHY WORK FOR US?

...because we support and value our teachers!

Professional development at Kennet School is centred on investing in individuals. We spend well above the national averages on professional development and have teachers on NPQs, Leadership apprenticeship and MA programmes. Our aim is to help every member of staff be the best they can be.

Evidence-based inset programme has a real impact on teaching and learning across the school. Teachers work collaboratively across departments to focus on a question of their choice whilst engaging with current research in education. This programme is about trusting teachers to shape their own learning and giving them the time to explore issues relevant to their expertise and subject.

An unwavering focus on learning is at the heart of everything we do. We remove as many barriers as we can, administrative or otherwise, **to keep learning at the top of everybody's agenda.**

Lesson observation and feedback designed to be helpful and supportive, but also encourage development and improvement, at least twice a year. We also run a coaching programme which supports teachers as well as contributing to wider conversations about what excellent teaching and learning means to us.

Staff Learning Hub; a physical space onsite dedicated to professional development and the craft of educating. This is matched by our teaching and learning toolkit and digital Professional Development Hub, open to contributions from all.

Career Opportunities arise frequently in large schools and we actively seek to help our teachers develop their careers and move into positions of responsibility. Our new staff and NQT+ programmes are bespoke for all new staff and particularly for NQTs, which includes supportive observations, training and other opportunities across the school. We have recently introduced a programme to support staff throughout the first three years of their career: from NQT to preparing for a post of responsibility.

Staff Perks include a cycle to work scheme with a tax free allowance, 15% PPA time, learning visits to other schools, a sophisticated leisure centre on site (with discounted memberships) and an active social committee. We have a number of other benefits including free flu jabs, free porridge daily, Office 365 and various free product offers through gemsatwork. Staff sporting events are a popular feature of our perks. In addition to this, we offer staff membership **of the Teachers' Pension scheme and the Local Government pension scheme.** Childcare vouchers, through the Government scheme, can also be offered.

PERSON SPECIFICATION

Criteria	Essential	Desirable	How identified
Qualifications and Training

Displays commitment to the protection and safeguarding of children and young people	✓		
Good knowledge and understanding of safeguarding practice	✓		

APPLICATION PROCESS

Completing your application

Our preferred method of application is via the 'Quick Apply' function in TES.

Alternatively, you can download an application form from our website, complete it, and send to office@kennetschool.co.uk. We will not accept applications that are not submitted through either of these methods, this includes CVs and letters of application.

Please be thorough and accurate when completing your application as we review these forms carefully during the shortlisting and selection process. We advise against generic supporting statements and will be looking for your suitability to this particular role.

Your application will be shared with our appointment panel along with references and any other pertinent information.

Shortlisting

Applications will be reviewed as they arrive, but formal shortlisting will take place as quickly as possible after the application deadline.

Applications will be ranked by members of the recruitment panel. Following this, successful applicants will be notified and asked to confirm their attendance at interview. Schedules will be sent out once we have confirmed the field for interview.

In exceptional cases we may choose to shortlist before the application deadline, so early applications are encouraged.

Interviews

The components of interviews will vary by job role, but the schedule will be designed to assess the competencies outlined in the person specification. All interviews involve an opportunity to tour the school and find out more about us. The final stage of the selection process is a formal panel interview.

Documentation

If selected for interview, please bring the following:

- Photo Identification (driving license or passport)
- Proof of address
- Certificate from highest level of qualification (e.g. degree certificate)

Appointments

Following interviews, the panel will decide whether to make an offer of employment. Wherever possible, this will be done on the same day and a contract will be prepared. We ask that candidates attending interview are in a position to make a decision about whether to accept the role.

Kennet School is committed to safeguarding children and expects all staff to share in that commitment; successful candidates will be subject to an enhanced Disclosure and Barring Service check.

Don't just take our word for it...

"The pupils and parents have a real passion and enthusiasm for learning, enabling a positive environment."

Mr C Adams
Assistant Head & PE Teacher

"I love the sense of community at Kennet. The joyful devotion of the staff is matched by the infectious zest of the pupils."

Mr A Killeen
Newly Qualified English Teacher

"Kennet is a happy and vibrant place to work. A great group of pupils and staff, excellent facilities and ample opportunities to get involved."

Dr N Sapkota
Science Teacher
