

LEARNING INNOVATION OPPORTUNITY

## JOIN QUEST TO UNLOCK YOUR POTENTIAL

QUEST is seeking to appoint a dynamic and ambitious Computer Science Teacher with a genuine passion for teaching and learning to join our state of the art University Collegiate School. You will be joining a Trust which has a STEM and Digital Focus

QUEST is a place for learning, innovation, and opportunity. We strive to unlock potential and create our future together.

### **Do you have:**

- Confidence in your ability to deliver a high standard of computer science?
- Strong subject knowledge of Computer Science to A Level?
- Commitment, dedication, and drive to succeed?
- A desire to support and secure achievement for all, staff and pupils alike?

We seek those that have a determination for success, a thirst for continued learning and a drive to be relentlessly ambitious for the students and communities they serve.

Please contact Tonianne Hewitt for further details.
