UXBRIDGE
HIGH SCHOOL

COMPUTER SCIENCE- Applicant Pack

Dear Applicant,

Thank you for your interest in working at Uxbridge High School. I would like to take this opportunity to tell you a little about our unique school and to highlight the significance of this important appointment. You are applying to join an exemplary and highly energetic staff team that has moved the school into a very strong position both locally and nationally. I am looking for exceptional people with energy and drive to join us in this work.

We have much to celebrate at Uxbridge High School including a committed and focused student body and staff, outstanding facilities, strong relationships with the community and school partners, supportive governors and a thriving sixth form. We value the successes of every child, whatever their starting point, as a truly comprehensive and multicultural school that reflects life in modern Britain. You will enjoy the reward of working with a wide range of students, from a variety of backgrounds.

I would recommend that you spend time reading our most recent Ofsted report, which can be viewed here: [Ofsted report](#). The inspection report confirmed that there has been no change to this school's overall judgement of good as a result of this ungraded (section 8) inspection. However, the evidence gathered suggests that the inspection grade might be outstanding if a graded (section 5) inspection were carried out now. The report confirms our significant strengths in all areas of leadership, teaching, personal development and outcomes. We are particularly proud of our broad and ambitious curriculum, which prepares our students well for GCSE and A-Level study.

The current leadership team has embedded a number of changes to the approach we take towards learning, teaching and progress. These include rigorous self-evaluation, close monitoring of the impact of teaching on learning and highly individualised student and group tracking. Our lead practitioner team (LPT) lead on numerous initiatives to support this, for example, developing and supporting leadership of teaching at all levels. An extensive and rich CPD programme is highly valued by staff at all levels.

Our determination to eradicate any disadvantage, particularly through poor literacy and numeracy on entry to the school, allows our students to compete in a national context. This is one of the school's biggest challenges and one to which we apply a systematic, whole school focus, linked to a curriculum that is innovative, exciting and ultimately leads to student success. To this end we are constantly reviewing our curriculum pathways to ensure a rich and well referenced learning experience for all our students, whilst balancing the need to do the best for our students.

Our sixth form provision is exceptional with a broad and exciting post-16 curricula. We are highly successful in preparing students for a wide range of university, apprenticeship and workplace destinations.

As Principal, I operate with an authentic and distributive leadership style. To support this, I am looking for leaders and staff who subscribe to an open and trusting culture, who can bring a collaborative and 'can do' solution-focused attitude. We seek teachers and leaders who are able and keen to achieve excellence across the school.

The successful candidate will demonstrate their unrelenting energy and drive that will continue to allow Uxbridge High School to be a school that can guarantee to maximise student progress, achievement and opportunity through an outstanding education.

If you feel you can meet the needs of all of our students without limitation, and are excited to join us, then I look forward to hearing from you further

Louisa Seymour, Principal
