Winchcombe School

Applicant Pack

The Balcarras Trust came into existence on 1st December 2020. We are a Multi Academy Trust (MAT) based in Gloucestershire. Prior to this the company (Balcarras School) was a Single Academy Trust, as was Winchcombe School until it joined the MAT in November 2023. The third school in the MAT is High School Leckhampton.

The Mission Statement of the Balcarras Trust:

The Balcarras Trust is committed to delivering outstanding inclusive comprehensive education in each of its schools. Every child within the Trust will be expected, encouraged and supported to reach their full potential and, when they leave school, to be fully equipped to go on to be successful in the next phase of their life.

The Trust will establish and maintain high standards of teaching, pastoral care and behaviour in its schools. No child will be 'left behind.' There will be excellent opportunities for extra-curricular activities.

Each member of staff in the Trust's schools will be an excellent role model and will play their part in ensuring that each school in the Trust has its own special ethos. Students will feel proud of their school.

Balcarras is a co-educational 11-18 comprehensive school situated in Charlton Kings on the eastern side of Cheltenham. Consistently rated 'Outstanding' by Ofsted, it has also been recognised by *The Sunday Times* as the highest performing comprehensive school in the southwest. Balcarras's performance at A level and GCSE is amongst the highest for any school in the country.

Currently there are three schools in the Trust

Balcarras School: An 11-18 co-educational academy with approx. 1,400 students on roll. Consistently rated 'Outstanding' by Ofsted, the school secures superb outcomes at both GCSE and A level. Recently the school was awarded the Sunday Times Southwest State School of the Decade Award. The school is led by Dominic Burke (Headteacher) who combines this role with CEO of the Trust. Balcarras is the lead school in the GLOW Maths Hub and the Balcarras Teaching School Partnership. Balcarras is situated in Charlton Kings and is currently where the Trust's registered office is located.

Winchcombe School: A high-performing 11-16 co-educational comprehensive academy with high expectations for its students, balanced against a supportive environment to help every individual towards success. This has been highlighted in recent successes in exam results. As a smaller than average secondary school, of just over 500 students, the school is well-placed to unlock students' passions and interests. Set in an idyllic location with excellent facilities, the school offers an environment for learning that is both unique and stimulating. A recent multi-million-pound investment has added new and refurbished facilities in Sport, Science, Technology and Drama.

The High School Leckhampton (HSL): A brand new 11-16 co-educational comprehensive academy with an eventual capacity of 900. The school opened in September 2021, transferring to its purpose-built accommodation on a beautiful campus on Farm Lane, Leckhampton. The facility cost £35 million and is state of the art. The school is led by Helen Wood and has been oversubscribed for the first years of its existence.

In addition, the Trust has a wider role as a system leader:

Outreach work: The Balcarras Trust is a leading provider of professional development for educators. The Trust runs the GLOW Maths Hub which is responsible for leading maths education in this region. GLOW has an annual turnover of close to £1 million. The Trust has the contract to run the Teaching School Hub for Cheltenham, Stroud and the Cotswolds.

The Trust runs its own School Direct teacher training programme working alongside the Gloucestershire Initial Teacher Education Programme (GITEP) which is run by the Gloucestershire Association of Secondary Headteachers Ltd (GASH). In 2024, Balcarras became the lead school for GITEP.

We mention these initiatives because we believe it demonstrates our commitment to professional development and the importance of collaboration.
