Dove House is an outstanding school (Ofsted 2020) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. We are looking for the following teacher to join our school from 25 April 2022 for a period of Maternity Cover:

Computer Teacher

This is an exciting opportunity for an enthusiastic candidate, specialised in this area of the curriculum to teach Computing from KS3 through to GCSE level as well as possibly undertaking a tutor responsibility.

The successful candidate will not need to have experience of working with children with special needs as full training will be given but an empathy with them is essential as well as having the ability to engage, motivate, challenge and raise student achievements. Dove House has a strong tradition of developing its own staff.
