Headteacher's welcome

Up Holland High School Is Dedicated To Excellence and prides itself on the excellent opportunities it offers to all students in order for them to develop and succeed.

This is achieved by offering a broad and balanced curriculum that is delivered by high quality practitioners. The school has an outstanding reputation for academic achievement and educational standards, which has been achieved by placing the individual child's needs at the core of our ethos and our decision making.

We recognise that the development of the 'whole child' is an integral part of our work. We want the students to achieve both fantastic outcomes and to develop their interpersonal skills so that they are confidently prepared for life beyond school. At the heart of this ethos we promote our core values of leadership, organisation, resilience, initiative and communication. At Up Holland High School, we expect students to be self-motivated, ambitious, determined and hard working. We encourage them to make the most of their abilities and talents. Alongside this, we expect students to be kind, thoughtful and respectful to one another. We want them to participate in all aspects of school life, developing into responsible citizens who make a positive contribution to the wider community.

We strongly believe in the power of the 'student voice' and as such, afford the children the opportunity to positively impact change and improve our school by representing our student councils and junior leadership team. We expect our students to be responsible role models to each other and to the students in our partner primary schools, promoting a sense of community responsibility.

The pastoral care is a real strength of our school. We pride ourselves on knowing the students as individuals, which enables us to successfully work in partnership with parents and carers. This partnership is absolutely critical in ensuring students are happy, healthy and successful. Our extensive system of rewards encourages the pursuit of excellence and core values by celebrating progress, attainment and the overall contribution made to school life. High expectations of attendance, punctuality, uniform and behaviour underpin success in our school and lay the fundamental foundations for life beyond Up Holland.

Our school

Up Holland High School is a happy and harmonious place to be where students are highly-motivated and have the opportunity to be inspired and succeed. We were recognised in May 2023 by Ofsted as 'Good' in all areas of school, with the capacity to improve still further. We believe that our strong collaboration with students, staff, parent/carers and governors continues to contribute towards the success of the school. This is the third successive 'Good' judgment the school has secured. The school aspires to move from 'Good' to 'Great' and we are seeking a professional that shares that level of ambition, a professional that can model our Dedication to Excellence in all that they do.

We consider the education of our students to be about developing the whole child, preparing them for life beyond school. Personal Development

The five key skills and values that we promote through LORIC are those that employers' colleges and universities consider to be most desirable:

- Leadership
- Organisation
- Resilience
- Initiative
- Communication

Students develop their LORIC skills through our 'Character and Culture and Personal Development' programme. This begins in Y7 and continues through to Y11, with students participating in a range of activities and experiences. These activities are promoted and undertaken in personal development time, curriculum lessons, character and culture days and enrichment opportunities. We believe that the programme enhances the development of the whole child, preparing them for life beyond Up Holland High School. Our drive to offer an holistic educational experience is at the core of the schools philosophy, recognising the importance of both academic rigour and challenge, alongside opportunities for personal development and cultural capital.

If appointed you can expect full-support and continuing professional development, as we promote a model of leadership at all levels and a bespoke and tailored CPD programme. We offer a professionally stimulating working environment where teachers have the opportunity to progress and most critically to positively impact on the lives of our students.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Successful applicants will need to undertake a DBS enhanced clearance, including checks with past employers. *Please note that in line with Keeping Children Safe in Education an online search will be carried out as part of our due diligence on shortlisted candidates.*
