If the answer to these questions is **yes**, then Mayfield School is the right place for you.

Why Mayfield?

Mayfield is a brilliant, thriving school where children achieve fantastic results in their GCSEs, A levels and BTEC qualifications in partnership with their hardworking and highly skilled teachers. However, we believe education is about more than academic results; we strive to ensure that every child receives the support, challenge and guidance they need to be the best that they can be. This means we commit to the education of the whole child: maximising student academic outcomes and the progress they make as well as equipping students with the skills, knowledge and competencies, both in and out of the classroom, which will help them succeed in their future. It is this holistic, caring approach that makes our school such a special community where students and staff really feel valued and a part of something that matters. It is why so many of our staff choose to stay and dedicate their careers to Mayfield's students and it is why you, we are sure, will love being a part of our community.

With considerable recent investment in new state-of-art facilities, including several new specialist teaching blocks and a community leisure centre which is available for staff at a subsidised rate, you will be joining Mayfield at a very exciting time!

Please take a look at our website (www.mayfieldschool.net) and our 'Month at Mayfield' videos (www.mayfieldschool.net/1283/videos) to see our values and fantastic facilities in action.

What can Mayfield offer you?

All teaching staff benefit from a superb professional development offer to ensure they become the very BEST teachers they can be. Teachers are supported to develop their subject knowledge and teaching expertise through collaboration with peers in their team and across the school. We also encourage teachers to engage with external partners such as exam boards and our Teaching Alliance colleagues to broaden their expertise. Our Faculty-led, subject-specific CPD facilitates subject teachers consistently working together to develop resources, share ideas and sharpen their practice. A range of optional opportunities are also on offer to teachers which allow them to collaborate with colleagues across the school in areas of interest, for example, the discussion of the latest research or sharing new ideas. Mayfield School also invests strongly in developing leaders of the future and supports potential future leaders through a range of internal and external training opportunities.
