At Burwell Village College we believe that every child has the ability to succeed if we give them the right opportunities. Our curriculum reflects the highest standards in all curriculum subjects.

The role of our cover supervisors is to provide curriculum delivery to classes or of specific subjects to enable our teachers additional release time. This is a vital role in ensuring our staff are experts in the subjects they teach.

The children here are well-behaved and hard-working. The facilities are fantastic with space and equipment readily available. Parents are keen to support the school and are positive about the school.

The role of cover supervisor is suitable for a qualified teacher. It may also be suitable for an unqualified teacher seeking experience or an HLTA, or for someone looking to advance their career to HLTA level. We may ask for additional cover if this is something you are interested in but is not a necessity for the role.

If you would like to know more about the school, please contact the school office and ask to speak to the Headteacher. We can arrange Zoom, Teams, Google meet or FaceTime conversations, as well as traditional phone calls. We are able to offer visits to the school by prior appointment.
