We believe in Achievement for All. We have a reputation for excellence and are well known for high standards of achievement and behaviour. Significant investment in facilities over the last few years has seen the building of two new science classrooms, a state-of-the-art Library and we are soon to add a new 6th form facility, due to be complete Summer 2023.

The curriculum at Glenthorne is organised into Subject Areas, each with its own Subject Leader. In Year 7, pupils are set in core subjects and languages with mixed-ability groups for other subjects. A wide range of GCSE and A Level courses are taught together with BTEC and other vocational courses. Subjects are taught in their own suites of well-equipped classrooms. Extra-curricular activities are a further strength of the school. Subject Areas encourage a wide range of extra-curricular activities - visits to galleries and theatres, clubs in Science and Technology, field trips, museum visits and so on. There is also an excellent Challenge Week for all KS3 students in July each year designed to promote teamwork, problem solving, creative thinking and resilience.

Pupils at the school are organised in mixed-ability tutor groups with nine (ten in Y7/8 & 9) in each year group. Most form tutors and Heads of Year move up the school with the year group. Together they play an important role in the monitoring of pupil progress as well as in supporting individual pupils. All pupils and staff are all allocated to one of four Houses: Rollason, Seacole, Turing and Morris, providing opportunities for pupils in all year groups to work together in friendly competition.

GUIDANCE TO APPLICANTS

Please read these carefully before making your application.

THE APPLICATION FORM

Please complete in **black** pen or type. Additional sheets may be used.

The application form will play a key part in whether you are called for an interview, so it is important that you take your time and complete it as fully and accurately as possible.

When selecting candidates for interview we have to base our decisions on the information you give us. The Person Specification is enclosed with this application form. This is a list of the skills, knowledge, qualifications, experience, aptitudes and abilities that are required to perform the job. When we read your application form we will be looking for evidence of examples which demonstrate how you meet the criteria in the person specification. You must include sufficient evidence and examples to show that you meet the requirements.

PERSONAL DETAILS

For monitoring purposes we would ask that you provide the information requested on the Equal Opportunities Monitoring Form at the back of the application form. This form is removed before shortlisting and will be destroyed after monitoring.

CAREER HISTORY

This is the record of your work history. It may include periods of unpaid or voluntary work as well as paid employment e.g. you may include time spent as a carer for one of your family or a voluntary helper in a school. Please account for any gaps in your employment history.

If the title of the position does not make it clear what work you did e.g. twilight crew, canvasser, please briefly describe the main duties.

You may continue on another sheet if you need extra space.

EDUCATION, QUALIFICATIONS, TRAINING

The Person Specification may ask for specific qualifications or training. You should list the relevant qualifications or courses undertaken. Where you have additional qualifications or training, mention these if they relate to your knowledge or skills. Proof of qualifications will be required at interview.

STATEMENT OF SUITABILITY

This section is your opportunity to show us that you meet the Person Specification. Take each criterion of the Person Specification and tell us the details of your knowledge and experiences. Give specific examples of things you have done which demonstrate your ability.

When reading your application, we cannot assume that because you have experience you also have the ability to carry out a task and vice versa. You may have experience of managing staff, but we need to know how you motivated your staff. We don't expect you to have formal experience, but if you can show that you have the ability to do the component tasks, that will be equally acceptable e.g. to organise a meeting you need to be able to: liaise with others, book accommodation, organise refreshments, and compile agendas.

You may already have prepared a CV and want to send that instead of answering the Statement of Suitability. You may send it, but you must also complete the Statement of Suitability. CVs often list the jobs you have had and their responsibilities, but they often do not properly describe your skills and abilities. It is unlikely that we will be able to find enough evidence in a CV alone.

You may use examples and evidence from outside paid employment. You may use examples from voluntary work or your hobbies or interests.

PRE-EMPLOYMENT CHECKS & ONLINE CHECKS

If you are offered the post, the offer will be made subject to receipt of satisfactory references, online check, pre-employment medical clearance, an enhanced DBS disclosure and, for teaching staff, a check on your teaching qualification status. If your referees do not confirm what you have told us, we may want to discuss this with you.

We will ask you to complete an online Medical Questionnaire which will be sent to our Occupational Health Department. It is their job to make sure that you are fit to do the job we have offered you. In some instances,

you may be asked to go for a medical examination. You will also be asked to supply evidence of any qualifications that are required.

All employees are required to have DBS clearance. Unless you have a clearance issued within three months of being appointed, and have had no break in employment, we will require a new check to be carried out.

RELATIONSHIPS

We do not have a policy of excluding people who are related to school staff, Trustees or Governors, but if you are related to someone we will make sure that they are not involved in the selection process for this post. If we find out after you have been appointed that you are related to someone who interviewed you, we may dismiss you. 'Related' includes co-habiting with someone.

INTERVIEWS

Glenthorne has a policy of using a wide range of selection methods to assess whether people meet the criteria. All teaching staff will be asked to take a lesson but you may also be asked to take an ability test, do a presentation or other work related exercise. You will be advised of any method being used for the post when called for interview.

Prior to interview you will be asked to complete a Criminal Records Self Declaration, any issues of concern arising from a reference and/or Self Declaration will be explored during the interview process. At interview you will also be asked questions related to your Personal Statement, safeguarding and promoting the welfare of children.

COMPLAINTS

The school is keen to ensure equality of opportunity in its recruitment and selection process. If you think that you have been discriminated against during the selection process on the grounds of your race, age, gender, marital status, caring responsibilities, gender re-assignment, sexual orientation, social class, religion, belief or disability you may make a complaint and we will investigate. If you feel you have been unfairly treated you must contact the CEO, in writing, within 3 working days of being rejected after an interview. You should explain the reason for your complaint to the Headteacher, or his/her representative.
