Are YOU creative, resilient and adaptable?

Do YOU currently work with young people and need a fresh challenge?

Do YOU feel you could build positive relationships with young people and make a difference in their lives?

If YES then maybe the role of Bridges Education Worker is for you.

Meadowbrook College provides full and part-time education and support to children aged 5 to 16. We provide a high quality, safe learning environment in which to develop positive behaviours and skills for students who have found mainstream school difficult. We also offer a broad range of preventative programmes and support to enable students to access education in order for them to enhance their life chances beyond the college. Our staff work hard to ensure our young people achieve the best outcomes they can by creating individual educational packages which meet their needs and which equip them with the skills and attributes they require for their next destination. Our hope for our students is that they will re-engage with learning, be successful and achieve their goals. Our aim is for every one of our students to move on to college, school, an apprenticeship or employment.

We are seeking to recruit a talented and skilled cover supervisor who is able, with support, to deliver lessons to whole classes (on average 6 students) in the short term absence of their teacher. Someone who can build positive relationships with students to help guide their personal development and who can give clear, useful feedback to the teaching team after lessons so that the curriculum can be uninterrupted

As cover supervisor you will be:

- highly motivated, with a passion for education
- have bags of enthusiasm, patience and perseverance
- Be prepared to travel across our sites as needs demand. You will be based in either Oxford or Banbury and when not required to cover will be part of our student support team on that base.

Why work at Meadowbrook College?

- Meadowbrook College staff are both professional and resilient. There is a “can do” attitude that makes a real difference to the lives of our students; many of whom have become disengaged with education and lost the confidence to achieve their full potential
- We offer a variety of opportunities for ongoing professional development for all staff
- We are working in an ever-changing and expanding educational climate where the need for alternative provision solutions is increasing. Our provision is always adapting and new opportunities are always evolving.
