April 2024

Dear Applicant

Thank you for expressing an interest in the position of Cover Supervisor at The King's School.

The King's School was founded by Henry VIII in 1545 and therefore the school has a long and proud tradition of educating young people in Ottery St Mary and the surrounding area. The school has a strong reputation that is based on high academic performance and an inclusive ethos, ensuring that students of all backgrounds and abilities succeed. The school is an outstanding 11-18 comprehensive school (OfSTED 2011, 2014) with approximately 1110 students on roll and has been oversubscribed for many years. We have a thriving Sixth Form which continues to perform very well. We have a broad curriculum offer pre- and post-16: this allows students to select subjects they are passionate about and offers a wide range of opportunities for students and staff. There is a rolling programme of investment in the school site with over £2 million of capital projects completed over the last 6 years. As a result, we have a well-resourced and pleasant environment for the whole school community to enjoy.

The experiences of our students reflect our core purpose of 'Achievement for All'. Students are taught in mixed ability classes in all subject areas (except mathematics), and we believe that this approach supports the development of academic success as well as the strong sense of community and mutual support that is present in the school. We provide extension opportunities for the most able students and continue to see many of them progressing to the best universities and apprenticeships in the UK. We also have an award-winning Skills for Learning team that works alongside classroom teachers, ensuring that those students with additional learning needs are well catered for. Students of all abilities at the school make strong progress during their time with us.

Academic outcomes only give a narrow view of the success of a school. Therefore, The King's School places a strong emphasis on personal, as well as academic, outcomes. We provide outstanding pastoral care, and a wide range of enrichment opportunities are available to all students. The house system is an integral part of school life and is reflected in our smart uniform. Students and staff are very proud of their house associations, and this provides a platform for a wide range of house competitions and leadership opportunities. Following the pandemic, we have re-established a very strong extra-curricular offer which includes numerous trips and visits, school productions, STEM activities, dance performances and sporting activities to name but a few. Student voice is also strong at the school and the School Parliament and Prefects play a very active part in school life.

The school converted to an academy in April 2011 but we still maintain very strong relationships with our local primary and secondary schools. We continue to work alongside local teaching school hubs, multi-academy trusts and teacher training organisations. As a result, there are a number of staff who are actively engaged in supporting other schools, training teachers, and undertaking nationally accredited

CPD such as those offered on the NPQ programmes. We also have an exciting INSET programme which is based around the school's core purpose and draws on student voice, the latest evidence, and the sharing of good practice. We also have working parties looking at the development of oracy, marking and feedback, and the use of IT to support learning.

We wish to appoint a Cover Supervisor who can oversee classes when teachers are absent, ensuring that learning in the classroom is maximized. The position would be suitable for a qualified teacher or an individual who is aspiring to enter the teaching profession, who is looking to develop further in an outstanding and highly supportive school. The successful candidate will facilitate planned lessons and work with Heads of Department to modify the work set where necessary, ensuring that positive behaviour is maintained in the classroom. It is not essential to have previous experience of working in a classroom environment as full training will be given, but we are seeking someone who has a strong commitment to working with young people, is able to develop positive relationships and has high expectations of students' behaviour and learning, in line with the school's behaviour policy.

In addition to supervising students, the successful candidate will support teachers and subject areas by carrying out administrative duties, such as photocopying, producing resources, communicating with parents, and maintaining student information databases. Training will be given in the school's specific IT software, but the successful candidate will need to be able to use Word and Excel confidently, competently, and accurately. You will work as a team of Cover Supervisors who are line managed by the Absence and Cover Manager and you will work closely with other administrative staff. The team functions in a fast paced, varied, and high energy environment, which provides stimulation and challenge on a daily basis. No day is ever the same!

We have lively and enthusiastic staff, a number of whom have worked at The King's School for many years. We believe firmly that the most important asset of the school is its staff and we are keen to offer them opportunities to develop. The King's School is in a very fortunate position in that it is located in a beautiful part of the country. It has an excellent reputation in the area and consequently is always heavily oversubscribed for student places. Many of our staff chose to send their children to the school for their education and school's admission oversubscription criteria supports this.

We hope you find this information helpful but if you would like further information or you wish to visit the school in advance of an application, please contact Mrs. Pocock at recruitment@thekings.devon.sch.uk. We anticipate interviews taking place the week commencing Monday 20th May 2024. When applying for the role, it is important that you refer to the school's **Safeguarding and Child Protection Policy** and the **DBS Disclosure Policy**, which can be found on our website (About Us – Policy Documents).

Finally, thank you once again for showing an interest in this post. The King's School is a very special place to study and work. As a parent of three children educated at the school, and someone who lives in the

community, I can talk from personal experience of the impact that this school has on the lives of young people. We have very hardworking and supportive staff who enjoy being part of this community and I hope that you will take the time to consider if this school is the right place for you. I wish you well in your application.

Yours sincerely

Mr R J Gammon
