## Welcome from the Ted Wragg Trust CEO, Moira Marder

On behalf of the Ted Wragg Trust, I would like to thank you for your interest in the role of Cover Supervisor and Sports Coach at St Luke's Church of England School.

St Luke's Church of England School joined our Trust in 2020 and works closely with other schools in our Trust to serve the community of Exeter. This is a hugely exciting time for our Multi Academy Trust and we are looking to appoint a dynamic, inspirational and experienced leader to play a key role in delivering outstanding outcomes for our pupils.

We are incredibly proud of our Trust and the potential it has to further improve standards of education for all children, no matter what their starting point or their background. Our academies are driven by an absolute determination to improve life chances for every child and they are identified by values-driven inspirational leadership and rich and inclusive learning experiences. Our collaborative approach offers benefits to our students and staff, sharing best practice in teaching and learning, staff development, coaching, school improvement structures and supportive professional services. The Trust board is highly ambitious and committed and we are looking for an individual who shares the same values.

The successful candidate will join our fantastic team at St Luke's Church of England School.

We look forward to receiving your application.

# St Luke's Church of England School

## Life To The Full

St Luke's is a voluntary controlled Church of England School and part of the rapidly growing Ted Wragg Multi-Academy Trust.

St Luke's is a wonderful place to work and is full of staff who are dedicated to improving the life chances of every student that attends the school. We work closely with other schools in the Ted Wragg Multi Academy Trust and are part of a wider family who all believe passionately in high quality education for all. We offer our staff disruption free classrooms, weekly coaching, in-house career progression, wider MAT leadership development opportunities and a high quality staff wellbeing programme.

Our vision is to ensure that our community, both staff and students live 'life to the full' with this being underpinned by our five core values:

- Taking responsibility
- Being inclusive
- Showing respect
- Giving hope
- Achieving your best

St Luke's is a school that has the very highest expectations of, and for, our students. We enable each and every one of them to become 'good stewards' of their own lives and of the world around them by taking personal responsibility for themselves, their learning and their environment. All of our community treat one and another with dignity and respect and we are incredibly proud of our Christian ethos.

Our staff are an incredibly committed team who have a very clear goal: 'to enable every child at St Luke's to have the best educational experience possible, full of enriching opportunities and the right balance of support and challenge so that they achieve their very best'. We aim to enable every child to make a positive next step in their education, training and future employment so that they are fully prepared to live 'life to the full'. We do this by ensuring that we deliver excellent teaching in every classroom day in, day out and by providing an academically challenging curriculum that is personalised for every child and promotes high aspirations and achievement. Underpinning this is a business and administrative team that is efficient and effective and provides a comprehensive level of support to enable us to get the very best out of every single student and every single member of staff.

St Luke's is a really exciting place to work as it is a school that is driven by a desire to improve and to be the best that it can be. Our school improvement journey in the last two years has been substantial; the impact can be seen in our outcomes, student voice, parental voice and our high levels of staff retention. But we are not a school that rests on its laurels; we are a school that is driven by very high standards and a need to ensure that all improvements are consistently embedded across the whole school to ensure that they have maximum and long term impact. We have seen many successes in the last two years but we are always looking to improve further.

This is particularly true in the classroom where we focus a great deal of our work. All staff follow the St Luke's Lesson Framework, which is based on the work of Doug Lemov and Barack Rosenshine, and all staff receive 1-1 coaching once a week to help them embed the framework because, in the words of Dylan Williams, 'every teacher needs to improve, not because they are not good enough, but because they can be even better'.

We are looking for staff who want to join a school at a very exciting time in its improvement journey. Staff who want to help us to make a difference to the lives of our children through a relentless desire to strive for excellence in all that we do.

# Ted Wragg Trust

The key aspect that makes this Trust exceptional is that, with the 'Members', we have an inspirational progression route from an Outstanding Primary, through an Outstanding FE College, to a world-class, top 100 Russell Group University.

Professor Ted Wragg, in whose memory the Ted Wragg Trust is named, was passionate about education in general, and in Exeter in particular, and about how education can transform young people's futures.

Our Trust shares Ted Wragg's passion for education and the difference it can make to social mobility, progression, self-esteem and ultimately success, in an increasingly competitive education and jobs market.

Our ambition is to raise the aspirations of young people and enable them to become fulfilled, confident and motivated citizens, able to contribute actively to a democratic society. All students within the Ted Wragg Trust, regardless of social or cultural background, are motivated to succeed and make outstanding progress because their needs are met through creative, relevant and innovative provision.

The Aims of the Ted Wragg Trust are to:

- Work in genuine partnership to strengthen schools and their communities
- Foster a culture of positive challenge and continual school improvement
- Provide a common sense of purpose with a focus on outstanding teaching and learning
- Offer an excellent educational experience so that every student fulfils their potential
- Encourage a rich, dynamic and purposeful range of learning opportunities for all students
- Develop life-enhancing values so that students leave school with a sense of self-worth and determination to succeed

We have grown to 12 schools located in Exeter, Plymouth and Crediton and work closely with other local schools and Trusts.

Our trustees are from the University of Exeter and Exeter College as well as from local businesses.
