COVER SUPERVISOR & SPORTS COACH

The Position

Cover Supervision:

Cover Supervisors are required to cover lessons during the short term absence (a period of fewer than 20 days, inclusive of weekends and holidays) of the normal teacher who will have set suitable work for the duration. At a very basic level the role of the Cover Supervisor is to supervise the class whilst they complete tasks set by the teacher. This requires no active teaching, marking & planning. This will be the primary role during periods 1 to 4 of the school day. On occasions, when cover is light, such as at the beginning of terms, Cover Supervisors may also be required to carry out the following tasks:

- Help with the supervision of the Isolation room
- Help with the invigilation of exams
- Carry out suitable administrative tasks

Sports Coach:

- To assist the teaching of games (period 5) and extra-curricular sport programmes.
- To coach or help with the school teams in all of the major sports – rugby, hockey and cricket.
- A commitment to extra-curricular, mid-week and Saturday fixtures.

The Candidate

This post is suitable for an individual who is keen to gain classroom experience whilst also utilising their existing high-level coaching skills in one or more of our major sports (Rugby, Hockey and Cricket). You may well be considering teaching as a career but not, as yet, be certain whether this is your chosen career path.

Ideally we are looking for:

- An organised, thorough and committed individual with an ability to command respect from the students.
- A graduate who has a passion for sport and the delivery of it to young people.
- A talented sportsperson who has played rugby, hockey or cricket to a high level
- Someone with the desire to coach and referee/umpire two or more major sports
- Above all, someone who possesses great energy, enthusiasm and dedication, and who is willing to throw themselves wholeheartedly into the life of this busy school
