

Job Description

Job title	Design and Technology / Art Technician	Contract	Permanent
Department	Design and Technology / Art	Reports to	Heads of Departments

Our mission

We will inspire our family of schools to provide opportunities for our pupils, staff and leaders to be the best they can be: to create a passion for lifelong learning; to enable our pupils to become confident, kind and impactful world citizens.

Your role

The role of the technician is to support safe and secure learning and teaching using technical skills, knowledge and expertise and specific health and safety know-how. The applicant should have some knowledge of workshop tools and machinery maintenance and have confidence working with and preparing different materials.

The successful candidate will work in both the Design Technology & Art departments, supporting those Heads of Departments, staff and students. The main responsibility of a technician is to give active support for the delivery of the Design Technology & Art curriculums, advancing standards of attainment and progress. The successful candidate must be able to maintain safe and clean working environments in Design Technology & Art, including organising the maintenance and repair of equipment.
