This post would suit either an experienced SENDCO or an ambitious and adaptable teacher with experience of working with SEND pupils. This is a rare chance to shape the SEND provision for pupils from Reception all the way through to Year 10.

An exciting opportunity has arisen for a passionate and cross-phase SENDCO to play a key role in shaping an inclusive curriculum for our outstanding, multi-faith school as we move into year two of its secondary phase development.

Unique features of this role are:

- The chance to shape the school's SEND offer across all Key Stages
- Potential for promotion
- A bespoke CPD package relevant to the successful candidate's career stage

Nishkam School West London will be a flagship school for our Trust, offering all-through provision on an expansive 11-acre green site. Opportunities like these are few and far between and will interest those with creative minds and high aspirations, seeking to inspire a new generation of children through a values-led, multi-faith curriculum. The journey will be one of leading SEND provision to excellence as the school grows to capacity, which will be immensely rewarding for the right individual.

Background: Nishkam School West London is an innovative, state of the art, all-through 4-19 school. Nishkam's outstanding primary school opened in 2013 and the secondary phase is due to open in September 2018, with a four form entry in Year 7 of 100 pupils. The school is part of a highly successful Multi-Academy Trust (4 schools, 2 nurseries; 1 vocational college in Kenya).

- Leadership and management at all levels are of exceptionally high quality. Leaders constantly check the quality of teaching and learning and provide very good support for any teacher who needs to develop their practice.
- Exemplary leadership and management skills ensure that the school's values are central to developing pupils' learning and mind-set.
- The school's vision to 'offer excellence... and inspire children to learn' pervades the school. As a result, pupils are motivated and have high aspirations.

Ofsted-October 2016

As cross-phase SENDCO at Nishkam School West London, you will work in a pioneering group, Nishkam School Trust (NST). NST is one of the first multi-academy free school trusts in the UK. The Trust has opened two free schools in Birmingham (a primary in 2011 and a secondary in 2012), both of which are judged Ofsted Outstanding, and a third, a primary free school in Wolverhampton. We are looking for a highly committed and innovative SENDCO to work in close collaboration with other teachers in both the secondary and primary phases across the Trust.

NST has developed an inclusive, values-led, multi-faith educational approach that nurtures pupils of all faiths and those of no particular faith. The Nishkam ethos is to help grow a selfless mindset, aspiring to excellence as well as going beyond ourselves to serve others, to create supportive communities and to realise our true potential. This pervades every aspect of the school.

- have the opportunity to share your expertise with other colleagues across the Trust
- be part of a global community of charitable initiatives.

Our expectations are that you will:

- believe all pupils can and will achieve highly
- build an environment through a values-led education that encourages compassion, humility, service; and recognises all humanity as one
- ensure excellence in learning, teaching and achievement across the school within the context of a faith-inspired, values-led school
- nurture a culture that cherishes childhood, stimulates the spirit of adventure and ignites a passion for lifelong learning
- develop and implement an enriched curriculum for the school that allows children to both further their own interests and explore new horizons
- develop and maintain the support and active involvement of parents in their children's learning
- build and nurture links within the local community and outside agencies
- contribute to, and maintain the ethos of the Nishkam culture by drawing on best practice across Nishkam Schools, locally and nationally
- report to the Senior Leadership Team of Nishkam School West London
- work closely with the Local Governing Body & SEND Link Governor
- work in collaboration with the Senior Leadership Team and teachers in both phases at NSWL.

We will offer you:

- a very warm, welcoming and talented team
- hardworking and dedicated colleagues who are prepared to give selflessly for the benefit of the pupils
- supportive parents, carers and community
- a committed and fully involved Governing Body and Board of Directors
- a state-of-the-art learning environment
- wide-ranging opportunities for professional development
- terms and conditions similar to other academies and schools
