Dear Applicant

Curriculum Area Leader for Physics

Welcome to Range High School and thank you for taking the time to consider coming to work at our popular and thriving school.

Uniquely set next to nationally known nature reserves in an area of outstanding beauty and the impressive coastline of the Irish Sea, with good commuter links, Range High is an 11-18 community school in Formby. The school has a reputation for high educational standards, and a caring ethos which focuses on the development of the individual. The 1082 pupils on roll (including the 6th Form) are drawn from both the immediate and surrounding areas.

The school is forward looking with a good track record of achievement and is proud to have been awarded 'Good' by Ofsted following their inspection in March 2022. We are ambitious and the Trustees, Senior Leadership and Staff endeavour to provide the best educational opportunities to all of the students regardless of their academic ability. The school is an exciting and vibrant place to work and we would encourage you to apply for this post to test this out for yourself!

Candidates are asked to complete the application form, available from the school website www.range.sefton.sch.uk or the TES application and to return it by the deadline of **12 noon on Wednesday 22 November 2023**. Completed applications must be returned to school by either post or e-mail (admin@range.sefton.sch.uk) or via the TES website.

A person specification, job description, Safeguarding policy and departmental information can be viewed on the school website together with the prospectus and school magazine 'Within Range'. The most recent Ofsted report and School Profile can be viewed at <http://schoolsfinder.direct.gov.uk>.

If you have not heard from school by Friday 1 December 2023 you should assume that your application has been unsuccessful.

I look forward to reading your application and to meeting you in person in due course.

Yours faithfully,

Mike McGarry
